extension, we would have more sewer breaks that would be covered," the mayor said.

He said attempts to grant them have been unsuccessful in some cases, and added, "Other than putting a stop to the federal disaster agency, I don't know how to change them."

The council discussed a kind of plastic pipe which can be placed inside damaged broken sewer pipe to form a sewer within the old sewer.

City Engineer Morton Brewer said use of such pipe under study by him and the street department, but the apparently is not an expensive way to repair sewer.

He suggested that aldermen consider using new pipe inside a sewer to

houses may be expensive, and an excavation is required for most tap-ons.

Tap-ons below the ground water level require de-watering of the tap-on area before the home sewer can be linked to a new pipe, in some instances reported.

Alderman Ronald Coleman said a hole at a sewer back behind the 4100 block of Stearns Avenue is preventing residents of one home from using its plumbing.

Portell said his department is exploring ways to link

He said his department was sinking a test hole to determine the depth of the water table there. The method used was providing sewer service to the home which would depend on the depth of the water table, he said.

Alderman Boyd requested permission from the council to purchase three electric pipe saws for sewer breaks on an emergency basis. The council would be less than \$1,500, explained. The aldermen then allowed the request.

The council voted to approve \$9,115 in bills from the Engineering firm for engineering work on the sewer.

Democratic national conference Dec. 6-8 in Kansas Mo.

Any person who is a Democrat, a qualified voter and a resident of the District may be a candidate for delegate to Kansas at the Press-Record was told by James F. Chapman, Collinsville, state committee chairman. He said candidates are to be elected at a caucus with Chapman at 222 W. Third St. in Collinsville, and send a delegation to the filing to John P. Toombs, state Democratic chairman.

by June 11.

Delegate candidates are being named at 22 meetings. Lee, Collinsville, and Johnson are the top choices of the filing to John Wright, state Democratic chairman, 104 N. 4th Springfield, Ill. 62701 by June 11.

"Although anyone eligible can run, it will still be hard to be a candidate, only the elite chosen this week will be authorized to vote on choosing delegates," he said.

Daniel Bud Tiemann, with votes, and Walter J. Harris with 942, also were elected as delegates to the Illinois Congressional District.

Madison County Democrat William B. Walzer "Burr Simmons" president at the balloting, which was completed in less than two hours. Statewide rules govern the election.

Wade Campbell of Graysville City and Pontoon Beach are among those who have come from active candidacy to support the slate of delegate electors. They received more than 100 votes each, but less than 100.

Totals announced include David Farinley 177, Dick Hunsicker 180, Bill Kerv 160, Carole Ann Miller 158, Alice McGee 144, Marge Garcia 143, Mary Hildebrand 137, James A. Roth 117, Ward 48, Carl Kohlenstein 37, Mary Agnes Cullen 37, Jeanne McCandless, 12,

# Expand Shell crude oil capacity at Wood River

Shell Oil Company's Wood River refinery will increase its crude oil capacity by 30,000 barrels, E. A. Ballman, refinery manager, said today.

"A series of projects designed to improve the overall balance and efficiency of the refinery will result in an increased capacity, with an ultimate throughput approaching 300,000 barrels per day," he related.

In addition to revisions at the crude oil distillation units and other existing facilities, the

project will include an additional asphalt plant capable of making asphalt at the rate of 10,000 barrels per day, and a 300,000-barrel crude oil storage tank.

Ballman said, "We anticipate process more foreign crude oil, which is substantially higher in sulfur content than crude oils we now receive."

"The additional storage will enable us to keep this higher sulfur crude segregated from

lower sulfur raw materials.

"The planned additions and modifications to existing units will facilitate processing of this crude oil while continuing to comply with environmental regulations."

Some of the necessary processing were made during a recent maintenance shutdown on a crude oil distillation unit which will permit some immediate increase in crude oil capacity. The entire project will take several years to complete.

# Reject purchase of food grader at Couteau meet

A request by Jim Estes, highway commissioner for Couteau Township, for revenue sharing funds to purchase a new road grader was considered by the Couteau Township Board Monday night.

The auditors determined to continue to use revenue sharing for a township building program. They suggested Estes that he wait until near the end of the year and then seek a

tax anticipation warrant for the money needed for a grader.

They noted that a new 16.5-cent special road tax passed by electors April 9 will be collected next year and that anti-inflation funds will be available in September.

The auditors set Monday, April 17, as the date for a public hearing on tentative town fund and general assistance budgets.

The regular town board meeting is to begin at 7 p.m. and adjourn for the town meeting; then the auditors likely will reconvene the regular meeting to approve the budget.

The board approved changes in electrical plans for a new township garage which is under construction. The changes add \$500 to the contract for Wegman Electric Co. of Granite City for a new total of \$4,278.

# Stephoe Madison coordinator for Belleville Area College

Charles Steptoe, a teacher at Madison High School, was appointed by the Madison School Board at a special meeting Monday evening as community consultant and coordinator for District 12 with Belleville Area College.

Madison joins BAC as of Aug. 1.

In other personnel actions, the board re-hired six non-tenure teachers for 1974-75: William Caulk, Miss Charlie Ann Hackett, Edward Walker, John Bridick, Miss Christine Kelly and Miss Beverly Bosworth.

Miss Jacqueline Adams was hired for the 1974-75 year while Mrs. Antoinette Marvich is on leave.

Charles Jackson was hired as an early childhood education teacher. Jackson, a native of Madison, has been teaching in St. Louis.

Lee McDaniels of Alton, who has taught part time in Madison, was hired full time as a reading specialist for next year.

Park Food & Equipment Co. of St. Louis, low bidder at \$389 for a French fryer, was awarded the contract over three other St. Louis firms on its low bid.

The board authorized Supt. John Falchett to purchase janitor supplies for 1974-75 from the low bidder on each of several items. Proposals were

submitted by nine companies. Falchett was advised to consider product quality in addition to price.

The resignation of William Banks, who had worked as a custodian for the past 13 years, was accepted. Banks has taken a job with Granite City Steel.

An agreement between UP and the levee board for free use of the property first was signed in 1952, but the company delayed the construction at that time.

The May payroll and bills of the district also were approved.

# Postpone air hearings

Hearings on a request by Granite City Steel for a variance to complete installation of pollution control equipment on its coke oven facilities have been postponed one week.

Hearings scheduled for June 10, 11 and 12 have been rescheduled. The next hearing will be Monday, June 17, at 9 a.m. in the Missouri Room of the University Center at Southern Illinois University at Edwardsville.

Hearings also are slated for

Thursday, June 27, in the Center's Illinois Room and Friday, June 28, in the Missouri Room at the SIUE Center.

The company and state are suggesting alternative methods for reducing emissions from coke oven batteries. The Illinois Environmental Protection Agency wants the company to install a full hood over pushing sides of coke ovens.

The hearings are being conducted by the Illinois Pollution Control Board.

# Summer high school registration Monday

Registration will take place at 8 a.m. Monday, June 10, for high school summer classes. The summer term will begin that day and end July 26.

Summer school will be held at CHS South, and the registration is planned for the opening day in the gymnasium at South High.

Students must pay \$3 at the time of registration for books and supplies.

The summer school is available for students who live in Community Unit School District 9 only.

No student will be permitted to take more than two subjects, plus driver's training.

Students will not be permitted to audit or to take courses for no credit.

Classes will be held in any subject if there are enough students (15) to create a class. Classes are usually held in the following subjects:

English 4-5-6-7-8  
Intermediate mathematics  
Algebra 1-2-3-4  
Geometry 1-2  
College algebra  
Typing 1-2  
Stenography 1  
Biology 1-2  
Consumer problems  
American history 1-2  
Civics  
Social problems  
World history 1-2  
World geography 1-2  
Art  
Industrial arts  
Driver's training (classroom and behind the wheel).

In order to take English 5, a student must be graduating in summer school. For English 6 or 7 and American History 1 or 2, a student must have a junior standing. For civics, a student must have senior standing.

The summer school office will be in the main South office and

will be open from 7:30 a.m. to 4 p.m.

The book store will be located in the main office and will be open from 7:30 to 8 a.m. each day. Students who have business to transact in the book store should arrange to take care of it before the opening of classes at 8 a.m., Principal James Dumont said.

Students interested in driver training (behind the wheel) should report to the gymnasium at 1 p.m. on Monday, June 10.

No student will be permitted to take training behind the wheel unless he is 16 years of age or will be 16 by the end of summer school and has passed the classroom work in driver training.

Driver training is open to the following students:

1. Non-high school individuals (16 to 21 years old).
2. Parochial and private students.
3. Driver training failures.
4. South students who passed driver safety prior to March 29, 1974.
5. North students who qualify for driver training.

Driver safety (classroom) will be offered to persons who are not high school students. It is necessary for at least 15 students to sign up for driver safety before a class can be offered.

A student must be enrolled in summer school on or before Thursday of the first week in order to attend classes for the minimum number of hours required by the North Central Association and state school code.

Students must be in regular attendance the last week of summer school. Failure to report for final exams will result in course failure.

# Cycle chased

Daniel Watkins, 19, of 2643 Edwards St., was charged with driving without headlights, fleeing from police, reckless driving, having no driver's license and stop sign violations at 27th and Iowa streets, 27th Street and Washington Avenue, and 26th Street and Grand Avenue, after police chased his motorcycle to the 2600 block of Washington Avenue at 10 p.m. Tuesday.

David Hubbard, 17, of 2328 Iowa St., a passenger on the motorcycle, was charged with illegal transportation of alcohol. Police allege they saw a motorcycle at 26th and Grand without headlights and a

# Scholarship Foundation aids 19 Granite Cityans

The Granite City Scholarship Foundation presented \$500 scholarships to 19 students in recognition day assemblies at the two Granite City high schools, it was announced today.

Foundation scholarships were increased by \$100 each this year over those of the past several years.

The Foundation is made up of

area industry, labor, business and civic organizations. It was started in 1955 by Miss Agnes Ruhlford, a high school teacher who donated the first \$200 scholarship.

Omar Ronk of Prairie Farms Dairy is currently president of the Foundation.

Scholarship recipients are seniors who are chosen on the basis of financial need, scholastic ability and purpose of pursuing collegiate education.

The awards this year were presented by representatives of the following firms and organizations which con-

tributed at least one full scholarship to the Foundation: Prairie Farms Dairy, N. L. Industries Metal Division, Business and Professional Women's Club, A. O. Smith Corp., Mexican Honorary Commission, Granite City Steel Labor-Management Torch Club, Granite City Steel Division of National Steel Corp. Optimists, and Granite City Optimists.

Also contributing scholarship funds to the Foundation were the following: Rite Electric Co., R. Don Electrical Co., The Nestle Co., Minerva Women's Club, American Association of University Women.

# 9 charges against youths

Nine charges were filed against three youths after police allegedly chased their car in the North Granite area at 8:15 p.m. Monday.

Officers reported they received 12 complaint telephone calls about an auto in a period of 12 minutes.

A police car was dispatched after the officer, said an auto, spinning its rear tires and almost out of control, drove in front of the police car.

The squad car chased an auto four blocks to the 2900 block of Circle Drive and three youths were arrested. Officers alleged there was open liquor or beer in the car.

The driver, Cecil Jarman, 19, who listed an address on Circle Drive, was charged with disorderly conduct, reckless driving, speeding and illegal transportation of liquor.

John Ray Rippey, 19, of 3030 Circle Drive, was charged with disorderly conduct, resisting arrest and aggravated assault for allegedly attempting to scuffle with a police officer.

William M. Krug, 17, who also resides on Circle Drive, was charged with disorderly conduct and illegal transportation of liquor.

She is survived by her mother, Mrs. Pearl Lindsey Monk of Venice, a son, Rodney, and four brothers, Leon and Venoli Monk, both of East St. Louis, Charles Monk of Venice and Harvey Monk of New Mexico; and four sisters, Mrs. Gladys Rosell and Mrs. Dorothy Ann Corbin, both of Milwaukee, Mrs. Eva Crocchelli of Madison and Miss Margie Monk of East St. Louis.

Services will be conducted at 7 p.m. Friday at the Quinn Mission African Methodist Episcopal Church, Madison.

Music and entertainers to please a wide variety of tastes will be presented at the 1974 Mississippi River Festival, to be held July 8 through Aug. 21 at Southern Illinois University at Edwardsville. Several innovations will be introduced this season, including a film classics series on Monday evenings, a \$10.00 mini-book of coupons, season tickets for students at Saturday Saint Louis Symphony Orchestra concerts, and free parking on all University parking lots.

The Saint Louis Symphony Orchestra, under the direction of Walter Susskind, will perform serious music on six Saturday evenings, highlighted by the concert version of Verdi's opera, "Aida." Popular, familiar tunes of the Broadway stage and motion pictures will be included with favorite symphonic works at the Orchestra's six Sunday evening concerts. Symphony concerts will begin July 13 and continue

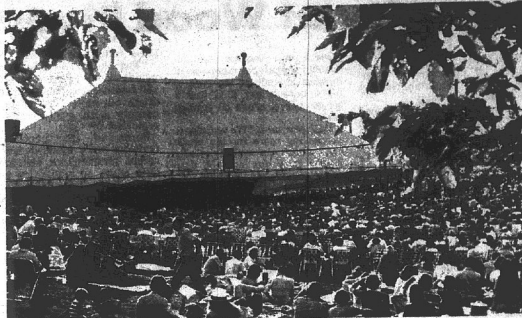

on consecutive Saturdays and Sundays through Aug. 18.

Guest artists appearing with the Symphony will include violinist Stephanie Chase, July 20; guest conductor John Green and Karen Armstrong and Richard Fredricks, vocalists, July 21; guest conductor Henry Lewis and the Romeros, guitarists, July 27; pianist Eugene Istomin, Aug. 3; conductor Meredith Wilson, Aug. 4; violinist Ruggiero Ricci, Aug. 10; conductor Andre Kostelanetz, Aug. 11; and conductor Richard Hayman, Aug. 18.

Twenty-one folk-pop-rock concerts have been scheduled with guest artists and groups including Arlo Guthrie, War, Helen Reddy, Chicago, Tom T. Hall, Mac Davis and Anne Murray.

Folk-pop-rock events will be held on Tuesday, Wednesday and Friday evenings at 8:30 p.m. Tuesdays will be devoted primarily to folk, ragtime, jazz and bluegrass artists; Wednesdays will feature rock 'n' roll and hard rock groups; Fridays will be devoted to families, with new and established stars sharing the billing.

The schedule includes: July 9, Leo Kottke, with Steve Goodman and Megan McDonough as special guest artists; July 10, the J. Geils Band; July 12, Rick Nelson and The Stone Canyon Band; July 16, B. B. King, with Muddy Waters as special guest artist; July 17, Eagles and Joe Walsh; July 19, Helen Reddy; July 23, New England Conservatory Ragtime Ensemble; July 24, Sha Na Na; July 26, Doc Severinsen and the New Generation Brass featuring Today's Children; July 30, Celebration of Jazz with McCoy Tyner, Freddie Hubbard and Chick Corea; July 31, Black Oak Ark-

D. Crow and the New South, Bryan Bowers, and Country Gazette; Aug. 21, Chicago; and Aug. 23, Abrasive Yugoslavian folk dancers.

The MRF Film Festival will present two or more classic movies on seven consecutive Mondays under the tent. Tickets and \$2.00 general admission, but may be purchased on a season basis at only \$11.00 for the seven film nights. The schedule includes: July 8, Rock Musicals; July 15, International Director; July 22, Animated Films;

July 29, Documentaries; Aug. 5, Humphrey Bogart American Classics; Aug. 12, Experimental; and Aug. 19, Holocaust films. Mail orders are being accepted by the University Center Ticket Office, Southern Illinois University, Edwardsville, Ill. 62025. Season tickets

for Saturday and Sunday Symphony concerts are available, as well as coupon books which sell for \$20 and contain \$25 worth of coupons exchangeable for Symphony concerts only. Season tickets for the film series are \$11.00, providing a savings over the \$2.00 general admission price to the seven showings.

## 2 scuffle with police

Billy Joe Castille, 31, who declined to give an address, was charged with resisting arrest, aggravated assault, criminal damage to property, reckless conduct, battery and disorderly conduct at 11:25 p.m. Tuesday. David Dickens, 32, St. Louis, was charged with obstructing a police officer, disorderly conduct and criminal damage to property after the two were arrested at 19th and Adams streets.

The two and a woman allegedly entered Charlotte's Web tavern, 1308 Nineteenth St. Castille is charged with jumping over the bar, striking the barmaid, Theresa Smith, and throwing glasses and bottles around the tavern. The three allegedly left in a

maroon pickup truck which police stopped at 19th and Adams. Castille reportedly refused to leave the truck and started to reach for a tool inside the cab when police used force to bring him out of the truck, officers said. While police and Castille were fighting, Dickens allegedly tried to help Castille and force was used to restrain him. The woman was released. Castille and Dickens were taken to St. Elizabeth Hospital but declined treatment. They were then taken to the Granite City jail.

## Seek designer for overpass

The Granite City Council Monday night voted to advertise for an engineer or engineering firm to help the city design a railroad overpass or underpass for vehicular traffic between the downtown Granite City area and the West Granite City area.

The council agreed that all applicants must have experience in either bridge building or grade separation work.

Alderman Gerald Parmley questioned, "Where is the money coming from? There is nothing in the budget for it. You've got to put it in the 1974-75 budget, or you won't be able to hire him when you decide on him."

The roughness of some rail crossings in this area was discussed by the board after a letter was received from Harry Stern, chief railroad engineer for the Illinois Commerce Commission on the results of a recent inspection.

Stern said he inspected downtown crossings at 19th, 20th, 22nd and 25th streets May 23 and when he rechecked them Aug. 23, he noted that several track repairs he had suggested had not been completed.

He particularly cited the crossing near the Jennison Wright Corp. and Midland Cresscote Co.

He said the ICC would ask railroads to repair the crossings and said the city should contact the companies mentioned and request that they also repair their tracks.

Alderman Walter Nomm

commented, "That's a real buck passing deal, like they always did there. They don't invite any aldermen on these inspections."

The aldermen voted to send Stern a letter indicating they are not satisfied with the report and feel a stronger approach should be taken by the ICC in regard to rough crossings.

Alderman Claude Green said, "We have the roughest crossings of any in this area."

The council passed an ordinance prohibiting right turns on red traffic lights from all directions at Madison and Niedringhaus avenues.

Another ordinance also was passed prohibiting parking on the south side of 22nd Street from Adams Street west for 160 feet and on the west side of Adams Street from that intersection south for 160 feet.

The aldermen discussed

recent paving of Johnson Road with G. H. Sternberg, contractor, representatives of the city's consulting engineering firm and the state highway division.

Alderman Emerald Dawes said he is dissatisfied with the project, particularly with some curbing which he says should have been replaced.

The city is withholding 15 percent of the cost of the project until the road improvements are satisfactory to the city council.

Dawes said Alderman Ronald Coleman, also of the Seventh Ward, and he had requested that they be notified when a final inspection was to take place and they were not notified.

Sternberg said he had replaced all of the curbing which had been marked for removal during first in-

## Workshop on lithography

A lithographic printing workshop will be conducted June 10-15 at SIUE by Harry Westlund, Tamarind master printer, and James Butler, lithographer at SIUE.

Each person who enrolls will receive three quarters hours of academic credit. Cost of in-state tuition is \$71, out-of-state tuition is \$166. There is an additional \$25 studio fee to cover cost of materials used in the workshop.

Westlund is master printer in charge of contractual services at Tamarind Institute at the University of New Mexico in Albuquerque.

The issue was referred to the council's street and alley committee to "take a very good look" in Dawes' words, and report back to the council with a recommendation on whether to request another inspection or to release the final payment.

## Legal aid for state prisoners

A grant of \$400,000 has been made jointly to Southern Illinois University and the Chicago Circle campus of the University of Illinois to conduct a statewide legal aid program for inmates of the state's correctional institutions. The grant is from the Illinois Law Enforcement Commission (ILEC).

The program will concern itself with all types of civil matters, such as divorce, child custody, deaths of family members and other problems encountered by persons serving sentences.

There will be a statewide executive director who will work with Southern Area and Northern Area regional directors. Associate Dean Thomas G. Rody Jr. of the SIUC School of Law said the director of the Southern Area will be Robert H. Dreher, associate professor currently serving on cross-appointment in the SIUC School of Law and the

Center for the Study of Crime, Delinquency and Corrections. At the outset, the southern program will involve two full-time attorneys, five law students and eight students at the master's degree level in the Crime Study Center. The regional director will be responsible for conducting legal clinical seminars and for supervising the attorneys, law students and paralegal students.

The law students will receive credit but no pay for the program. They will serve as assistants to the full-time attorneys on legal problems.

The Crime Study Center students will receive pay but no academic credit and will handle communications and research on non-legal aspects.

"From experience, we know that when a person has a legal problem, he often has several other 'spin-off' problems of which he is unaware," Dreher

said. "Also, many who think they have legal problems really have problems which are more socially-oriented and which would respond better to counseling of the man and his family." The program will be of value in both areas, he said.

The grant will support the program for one year, beginning June 1. If successful, it is expected that the program will be re-funded on an annual basis, Dreher said.

**SOUTH HIGH BASEBALL HONOREES.** Seniors, from left, Bud Prazma, Mike Stanton and Mike Martinez were honored Monday evening at the Warriors sports banquet for their performances which helped GCHS South to a 17-11 record (8-6 in Southwestern Conference play). Prazma received an award as the pitcher with the lowest earned run average of 1.22. Stanton was honored as the pitcher with the best batting average of .388 and for leading the team in runs batted in with 30. Martinez hit safely 41 times out of 81 times at bat to earn the batting average award with .512. (Press-Record Photo)

## Salute South's spring stars

By KEN THOMPSON

Staff Writer

Granite City High School South's 1974 spring sports program culminated Monday evening at Grigsby Junior High School's cafeteria, where athletes and sports fans gathered to honor Warrior baseball, track, tennis and golf stars.

The four-sport awards banquet, moderated by South High Principal James Dumont, followed announcement of Southwestern Conference final standings showing South placing fourth in baseball and tennis and fifth in golf and track.

After complimenting the school's athletes for their efforts and performances during the season, Dumont introduced the athletic mentors—Conrad Champion for baseball, Dick Harmon for tennis, Wayne Williams for golf and Don Miller for track.

Cochair Harmon began the awards presentations with, "We are honored at having been the first tennis squad from South to qualify an entire team for state competition."

The tennis Warriors compiled a 13-11 season record which included capturing their own district meet.

"Our most coveted award," continued Harmon, "goes to a player who as a sophomore and junior was undefeated in singles competition and lost only one match this season."

"He is a two-time district champion and was the last member of our team to be eliminated in state preliminary rounds."

"For the second consecutive year," concluded Harmon, "I'm proud to present the most valuable player award to Bill Rusick."

The tennis coach presented the outstanding freshman award to Mike Papes, and the outstanding senior award to singles player John Bruch.

When introduced as the school's golf coach, Williams quipped, "Well, ex-golf coach. My tenure lasted every bit of one season." Because golf is switching from spring to fall, it will conflict with his duties as head football coach.

"We started slow and finished slow," recalled Williams, "but

a 10-9 season record isn't all that bad."

He presented the most valuable player award to Don Gresco, who led the team in low scoring 10 times and had a five over-par 77 to help pace the squad to third place in district competition.

Gresco again took scoring honors in the Mascoutah sectional meet but a ninth-place team finish eliminated the Warriors as a state berth threat.

Williams named Bill Skirball and Brad Bickhaus as the team's honorary captains and cited senior Ron Motil as the most improved player.

"It wasn't exactly an outstanding start," said track coach Don Miller, "but it certainly ended up well."

South's overall track and field performance was highlighted by a fifth place in the Southwestern Conference meet at Alton; third in the annual Madison County meet; seventh in conference relays at Belleville; and fourth in the 330-state district meet which advanced three individuals and two relay squads to the state finals.

"Though he put his best effort forward at state and didn't make the finals," said Miller, "this young athlete as a junior compiled the team's most points on the season with his performances in relay, mile and two-mile competition."

"Therefore, it is only proper that the recipient of the most valuable track award be Dwayne Terry."

Sophomore awards were presented to Doug Hartman and Joe Ward. Jim Hall received the most improved athlete citation. Dave Ruebhausen was named the outstanding senior trackman, and for his third-place team effort in the 330-state district meet over hurdles, Tom Schooley was voted the season's best performer.

"This school should be proud of its 1974 baseball team," said Champion.

"We were 1-6 in conference play early in the season and finished 8-6."

"If you aren't aware of it, the team that wins the World Series this year will probably have a team batting average of .261. Our 10 seniors and seven juniors had a batting average of .285."

The Warriors nine wrapped up its season with a strong 17-11 overall record on the strength of 11 consecutive victories, including a 9-2 triumph over Edwardsville for the district title. South was eliminated in region competition by O'Fallon, a state meet entry.

"This year's most valuable player award," said Champion, "was a tough decision to make. Many members of the team had a chance to win it."

"But the players felt this fellow held a slight edge over the others—Greg Linhart."

The senior second baseman and shortstop hit safely 20 of 83 times at bat, scored 18 times, had 18 runs batted in, and led the team in stealing bases with six.

Linhart also was honored as the team's best fielder for having committed only three errors in 26 games.

Champion presented an award to senior Mike Stanton for 30 runs and leading the team in batting with a .388 average. He earned the best relief pitching award with a 4-1 record.

Catcher Mike Martinez was cited as the squad's leading batter and was honored for collecting the most hits in the batting average of .512 and got 41 hits in 81 times at bat.

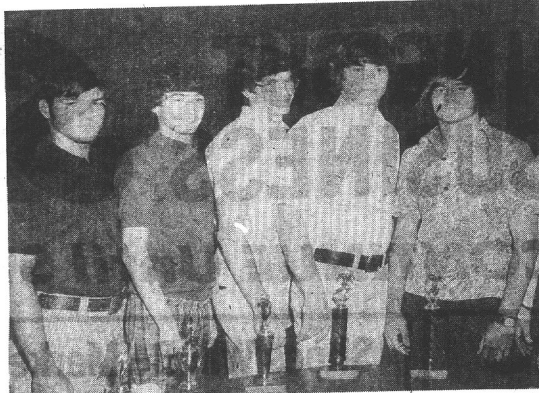

Hurled Bud Prazma was the recipient of the award for toping the other pitchers with his 1.22 earned run average, and Greg Terrell was cited as the winest hurler with a 6-1 record.

**MOST VALUABLE PLAYER AWARD** is held by its recipient, Granite City South's Greg Linhart. The Warrior baseball player was so named at the school's sports banquet Monday by his coaches and teammates. Linhart also received the best fielder award for having made only three errors in 28 games. Pictured left to right are Warrior Coach Conrad Champion, Linhart, and John Modica, South's assistant baseball coach. (Press-Record Photo)

**THREE-STAR TENNIS HONORS** went to Warriors (from left) Mike Papes, Bill Rusick and John Bruch. Dumont, Papes was honored as the most outstanding freshman or sophomore on the team, Rusick as the most valuable player for the second consecutive year, and Bruch as the squad's most outstanding senior. ## Keen is keen in cycle races here

St. Louisian Neil Keen, short-track champion here at Tri-City Speedway in 1968-70, renewed his chase for the annual short-track title Tuesday evening when he topped a strong field of more than 100 American Motorcycle Association riders to capture every event he entered.

Keen began his sweep to victory on the quarter-mile dirt oval by defeating three-time lead on the drop of the green flag with Cleek, Gerald and Keen in hot pursuit.

He then rode across the finish line ahead of Oklahoma's Randy Cleek and Louisiana's Mike Gerald to win the trophy clutching a 9-2 triumph over Edwardsville for the district title.

Keen moved into the number two spot behind McClure on the fourth lap and, with a wide sweep coming out of the fourth corner, passed the Texas on the seventh lap to go on for the win.

Gerald, McClure and Cleek followed him across the line. Tom Rush and Gerald were victorious in the second and third semi-feature events.

Defending Tri-City champion Robert E. Lee of Fort Worth, Tex., made a strong showing in the third semi but fell on the first lap of the event and retired for the evening.

The same race was marred

## Speedway lineup includes McGinn

Granite Cityman Paul McGinn, who captured his second late model stock car heat race of the season at Missouri's Lakehill Speedway Sunday, will attempt to overcome mechanical problems that have denied him a feature race victory at Tri-City Speedway when auto racing action resumes here at 7 p.m. tomorrow.

McGinn was a veteran of high-date model racing at the race until only one vehicle remains and is declared the winner.

He will compete against such drivers as Wil Spalding, Russ Wallace, Kenny Schrader and others in Friday's race for the checkered flag.

On tap also tomorrow is an "Australian pursuit" race. Ten cars will race for up to 10 laps, starting in single file order.

Each time the field crosses the start-finish line, the last car in the pack is eliminated from the race until only one vehicle remains and is declared the winner.

**GCHS SOUTH GOLFERS HONORED.** Seniors Don Gresco, left, and Ron Motil were recipients of awards presented at a four-sport banquet Monday at Grigsby Junior High. Gresco was named the season's most valuable player and Motil was honored as the most improved Warrior golfer. (Press-Record Photo)

## Hurdles no handicap to all-American Mike Allen

Southern Illinois University at Edwardsville gained its first track all-American during the weekend when hurdler Mike Allen won the honor by finishing fifth in 440-yard intermediate hurdles at the NCAA Division II Championship in Charleston, Ill.

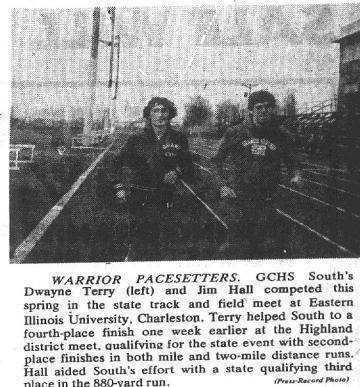

A junior from Granite City, Allen ran the event in his best time ever, 52.1 seconds, good enough to win a Division II All-American certificate. His time also broke his previous school record of 52.9 seconds set earlier this year.

Another Cougar trackman reached the finals of his event. Alton Junior Kevin Dooley tied his school record in the high jump with a 6-6 effort. His performance left him in 10th place in the event's final standings.

SIUE's third athlete to qualify for the nationals, senior George Tyus, failed to reach the finals in the 100-yard dash. Madison athlete was eliminated in the preliminaries with a time of 10.1 seconds, five-fifths of a second off his best time this

spring. The Division II meet closed SIUE's 1974 track season. Coach Jack Whitted's Cougars concluded the campaign with a 5-1 dual meet record.

**WARRIOR PACESETTERS.** GCHS South's Dwayne Terry (left) and Jim Hall competed this spring in the state track and field meet at Eastern Illinois University, Charleston. Terry helped South to a fourth-place finish one week earlier at the Highland district meet, qualifying for the state event with second-place finishes in both mile and two-mile distance runs. Hall aided South's effort with a state qualifying third place in the 880-yard run. (Press-Record Photo)

## Championship soccer play in Southwestern

At the final spring meeting of the Southwestern High School Conference, Alton Senior High School and Cahokia Senior High School declared their intention to participate in varsity soccer, beginning with the 1974-75 school year.

According to the constitution and bylaws of the Southwestern Conference, when four schools compete in a varsity sport, a designate a season champion will be declared. Alton and Cahokia thus join Collinsville and Granite City South in competition for the championship in soccer.

Soccer is the ninth sport in which the conference has designated a season champion. Because of its prowess in the sport, GCHS South ranks as the 1974-75 Southwestern soccer title favorite.

James Dumont, South High principal, is conference president and Joe vice-president is Belleville West Principal Jerry Turner.

Other member principals are Leroy Duckworth, East St.

Louis; Neal Schmelsel, Edwardsville; Blaine Bonyne, Alton (secretary-treasurer); R. W. Wood, Collinsville; Charles McCoy, Belleville East; and Leonard Stephens, Cahokia.

**Coaches to meet**

There will be a coaches' get-acquainted golf tournament at the Litchfield Country Club Friday. All-day green fees will be \$3 at the country club, and there will be trophies for the best nine and 18-hole scores.

Doug Weaver, athletic director and football coach, and the entire SIUE coaching staff, plus Bill O'Brien, National Football League official, will be in attendance to renew acquaintances with area coaches.

Golfing will begin for early arrivals at 8 a.m. Coaches of all sports are being encouraged to attend, whether they are golfers or not.

## Dombek ready to call signals at Kirksville

The scene was Belleville West High School stadium. The day was Friday, Nov. 16, 1973. The event was the season football final between undefeated West and the Warriors of Granite City South.

Trailing 14-6 early in the third period, South rallied to tie the game at 14-14 on a Tom Schooley touchdown and a two-point conversion call by Tight End Ray Smith on a pass from quarterback Dave Dombek with 36 seconds left in the quarter.

The Warrior defense held the enemy the remainder of the contest to hold the Southwestern Conference leader to its only tie of the season.

Dombek led South to a 5-4 overall record (4-2-1 in conference action) and showed his versatility in the line.

He passed 138 times and completed 68 for 1,056 yards and 10 touchdowns. He also showed his power on the ground by rushing for 309 yards and scoring six touchdowns.

"The son of Mr. and Mrs. George Dombek, 2448 Lydia Lane, he will graduate from GCHS South tomorrow and has his eyes set on a quarterback job with Bulldogs of Northeast Missouri State University at Kirksville."

He has just signed a four-year letter of intent with them to attend this fall on a football scholarship.

## Post 307 loses opener 3-1

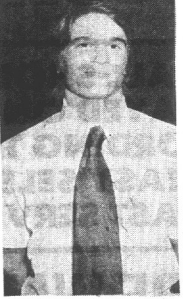

Venice-Madison Post 307 opened its 1974 American Legion District 22 season on a losing note at home Monday, 3-1 to Collinsville.

The visitors got their only hits and runs of the game in the second inning.

Post 307, composed of high school players from Madison, GCHS South and Assumption, outhit the enemy 6-3 with hits of Carl Turner, Kevin Werner, Steve McCunney and Dwayne Atchley.

"Collinsville," said coach Pat Harris, "made some key fielding plays in the fourth and fifth innings to stop us."

With two outs in the fourth, Venice-Madison left the bases loaded when a runner was thrown out at home. In the

"In his two years as a starter with South," recalls Warrior Coach Wayne Williams, "he proved himself to be a super individual."

"I don't see how he can miss," Williams continued, "he has a good arm and has the ability to use it."

"With age and experience, Dave will gain more and more confidence and should prove to be a top leader in the sport."

"Leadership comes with success. As far as I'm concerned, he is going to be one of the most successful quarterbacks in the college ranks."

sixth, Post 307 scored its one run but stranded two other runners on an enemy double play.

The lone run came when McCunney singled, stole second and scored on a single to center by Werner.

Winner Bob Johnson walked three and struck out three. Jon Henke went the distance for the local nine. He struck out four and walked five.

Venice-Madison will carry its 0-1 record to Belleville tomorrow for a 6 p.m. contest. On Sunday, it will play host to defending state champion Highland in a 2 p.m. contest at Madison High School.

## O'Fallon, others begin state baseball tourney

No team wears the favorite's cap in the 35th annual state baseball tournament opening with four games today at Metairie Field, Peoria.  
Sentimental favorite Chicago Tuley battles hard-hitting Northbrook, Glenbrook North in the initial game. Then, Harvey Thornton and Aurora West, which advanced to last year's tournament, square off.  
O'Fallon and Anna-Jonesboro tangle next and surprising Mattoon meets East Peoria. Tuley, 24-6, a bunt-and-run outfit that beat Schurz, 1-0 for the Chicago Public League title, will close its doors at the end of this school year. The members of the squad who will return next spring will be playing for a new school named Roberto Clemente High School. This year's appearance will be the first and last for the school.  
Other teams making their first trips to the state tournament are Harvey Thornton with a 24-2 record, O'Fallon (21-

5) and Mattoon (13-8), an upset winner over highly-regarded Danville in the title game of the Chicago area sectional, and East Peoria (18-9) with a win over Galesburg Monday.  
Other tournament veterans are Glenbrook North (18-4), which took the championship with a rout of Park Ridge (Maine South) in 1986 in its only other appearance, and Anna-Jonesboro (30-3), which boasts the best record among the final eight.  
Last spring, Chicago Hubbard blanked Belleville West 3-0 in the title game, bringing the Chicago area its fifth straight crown. Last downstate team to win the title was Peoria Manual in 1980.  
Semifinal games are set for 9:30 and 11:30 a.m., Friday. The championship will be decided at 7:30 p.m. All games are scheduled for seven innings, but the 10-run rule will be in effect throughout the tournament.

## Free-style wrestling

Granite City South state wrestling qualifier Brian Wilson will compete with other high school stars from throughout the U.S. Saturday in a free style mat tournament at SIUE's outdoor soccer field on Bluff Road.

Wilson enters the most fresh from a free style championship during the weekend at Normal, Ill., where he defeated six opponents.  
Other teams making their first trips to the state tournament are Harvey Thornton with a 24-2 record, O'Fallon (21-

5) and Mattoon (13-8), an upset winner over highly-regarded Danville in the title game of the Chicago area sectional, and East Peoria (18-9) with a win over Galesburg Monday.

## Fast Fred to test speed at Raceway

Granite City pro-stock drag racing star "Fast" Freddie Shaffer will attempt to defeat the St. Louis-based Hammer Three team for the second time this week during a special two-day pro-stock and funny car program at St. Louis International Raceway South of Madison.

Shaffer turned an elapsed time of 5.97 seconds down a one-eighth-mile strip at Keokuk, Iowa, this week to edge Preston Honea's Hammer Three Special in the championship run at that track.

The two local "hot shoes" head a list more than 500 drivers who will participate here Saturday and Sunday.  
Others scheduled include the Chicago area's Texans Bob Hodges and John Eds, Indiana's Butch Claunch driving the American Express Dodge, Oklahoma's Jerry Githens, the Chi-Town Corvette, and St. Louisians Ira Hollenbe's "Superstar Mustang" and the Jokerst Brothers' plus a full field of American Hot Rod Association class money and trophy cars.

Gates will open to the public at 2 p.m. Saturday and eliminations will begin at 8:30 p.m.  
On Sunday, gates will open at 9 a.m., with eliminations getting under way at 2 p.m.

## Doubleheader for Legion Post 113

Granite City Post 113, which is to open its American Legion Baseball League competition Tuesday with Collinsville, will play host to New Baden at Wilson Park's diamond two Sunday for a 1 p.m. exhibition doubleheader.

Coach Conrad Champion, who will be assisted this year by Bob Stegmeyer and Jack Scarborough, told the Press-Record, "We don't have the team roster completed yet."  
"We are allowed to sign only 18 players and there are more than that vying for starting positions," Stegmeyer's comments should be the deciding factor.  
Last year the Granite City squad, which is to be comprised of GCIS South and North players, had a 14-10 season record highlighted with a 16-team Springfield Invitational championship.

## Mercer host to East Alton next

The Mercer nine, 3-1 for the season in Inter-City Baseball League action after downing Panama 7-4 this week, will attempt to at least tie the league-leading Red Division Troy squad (4-0) when the local team plays host to the East Alton Vans at 2 p.m. Sunday at Wilson Park.

Mercer moved within one game of first place Sunday after overcoming a 5-3 sixth inning Panama lead by scoring in the seventh and ninth innings.  
East Alton drew a bye this week but still heads the Blue

Division list with a 4-1 performance.  
Plaza, a 16-5 victor over Highland-Pierron Sunday, is a half-game behind at 3-1. Panama (1-4) and Livingston (0-5) round out the division standings.

Highland-Pierron trails Troy and Mercer in Red Division action with a 1-4 record going into this weekend's contests.  
Other league games on tap Sunday are Troy at Panama, and Livingston at Highland-Pierron. Plaza has the free ride this time around.

## 600 summer jobs sought for youths

This summer 600 youths between the ages of 16 and 22 will need jobs; 200 will be taken care of by government projects, leaving 400 jobs needed from private employers, according to James Bowman.

Bowman, manpower representative at the local Illinois State Employment Service office, spoke on the summer job situation in this area at the Tuesday luncheon meeting to the Granite City Rotary Club, held in the YMCA.  
"This is not a matter of just earning spending money by these young people; it is a matter of real survival," Bowman emphasized.

"Of the applicants we get, 85 per cent are at the poverty level and they need jobs to buy clothes, school supplies and even food. The young people have skills to offer if given a chance."

Bowman asked the Rotarians to contact him at 451-5756 if they have jobs or know anyone who needs extra employment during the summer months.

Rotarian Walter Stauffer reported that mayors of this area are in favor of making a float for the Illinois State Fair parade Aug. 9 an

area wide project, inviting all service clubs and civic organizations to have a part in creating the float.

Frank Spinner, an economist in St. Louis, will be the guest speaker next Tuesday. Rotarian Albert H. Froelich will be the program chairman.

## Plan float trip

The University Center Board at Southern Illinois University at Edwardsville will sponsor a float trip down the Current River in Missouri June 11-13.

The flat trip will last three days and four nights, starting at Montauk State Park and floating 54 miles to Two Rivers Junction.

Price for the round trip will be \$28, including canoe rent, bus fare from SIUE and back, all portage fees and any camping fees.

Applications for the trip may be picked up at the University Center in the Student Activities area, or interested persons may call the office, telephone 692-2617.

## Blair burglary

Joseph Darden, custodian at Blair elementary school, College Street and Mercedia Avenue, Venice, reported to police at 7 a.m. today that glass had been broken out of the west door and the school had been burglarized. An upright fan, three cases of soda and a box of butter were reported taken.

## Register boys' bikes Saturday at Madison site

Bicycle registration began in Madison during the weekend and will continue Saturday, June 6, from 9 a.m. to 3 p.m. at the police department, 1329 Third St., Madison.  
Boys' bicycles are to be registered Saturday; 130 girls' bicycles were registered last weekend.

## Fire training

More than 1,000 Illinois firemen, both paid and volunteer, are attending the 50th annual Illinois Fire College today through Sunday at the University of Illinois at Urbana-Champaign.

The Illinois Fire College is the oldest such educational activity in the nation.  
The firemen will view historic films, take part in a Saturday parade of old and new fire department vehicles, and do protective clothing, for demonstrations and exercises involving non flammable materials.

They also will buckle down to serious study in workshops—up to two two-hour sessions per man—and in classes, with each participant getting 12 hours of training.

## Memorial Day change urged

The Illinois State Chamber of Commerce on Tuesday urged the state legislature to restore the state's Memorial Day observance to the fourth Monday in May, to prevent further confusion and disruption and "put Illinois back in step with the rest of the nation."

"The holiday was observed May 30 in Illinois this year and May 27 in the rest of the U.S."

## Mary Deatherage weds George Mike Harmon

The Mitchell United Presbyterian Church was the scene of the wedding on May 25, of Miss Mary Lou Deatherage, a daughter of Mr. and Mrs. Herald Deatherage, 4380 Lake Drive, and George Mike Harmon, son of Mr. and Mrs. George Harmon, 2145 Dawn Place.

"We've Only Just Begun" and "The Wedding Prayer" were played by the church organist preceding the double ring ceremony at 7 o'clock in the evening.

Officiating were the Rev. Ralph Craycraft, pastor of Bethesda Baptist Church, Granite City, and the Rev. William Reischlager, minister of the Mitchell church.

Escorted down the white carpeted aisle and given in marriage by her father, the bride wore a white Chantilly lace gown. The bouffant style skirt was made in a apron effect, featuring tiers of scalloped lace at the back extending into a chapel train.

Long tapered sleeves with ruffled cuffs were set into a molded bodice designed with a high lace collar and a delicate ribbon and bow marked the high rise waistline.

A Juliet cap of Chantilly lace was attached to a elbow length veil, bordered in matching lace, and her diamond shaped bouquet was an arrangement of white carnations and roses accented with blue baby breath.

Attending the bride was Miss Reida Diffey, maid of honor; Mrs. Ted Jones, a sister of the groom and Mrs. Terrance

Wylie, bridesmaids.

They chose full length halter dresses of sacron organza rose print in blue and white. The fitted bodices had ruffled collars and narrow blue belts accented the A-line skirts.

Long sleeve bolero jackets were edged in a matching fabric cuff and each girl held a bouquet of blue and pink mums interspersed with blue baby breath.

Dawn Jones, a niece of the groom, served as flower girl. She was dressed in a frock matching the adult attendants' dresses.

The groom chose his cousin,

Brad Harmon, to serve as best man. Ted Jones, a brother-in-law, and James Jones were groomsmen.

Don Ray and Rick Crites seated the guests and Steven Jones, the groom's nephew, was the ringbearer.

Mrs. Deatherage, mother of the bride, was attired in a long, Empire style yellow dress with chiffon sleeves. The groom's mother selected an apricot chiffon formal gown enhanced with crystal pleating at the neckline and cuffs. Both wore carnation corsages in shades to match their apparel.

Immediately following the ceremony a reception was given at the Long Lake Firemen's Hall. A rehearsal dinner was hosted at Lewis and Clark Restaurant, East Alton, for members of the bridal party and their families.

Both young people are graduates of Granite City High School. The former Miss Deatherage is now employed at Famous Barr Co. Her husband works at American Car Foundries in St. Louis.

They are now residing in St. Louis.

Out-of-town guests here for the wedding included Mr. and Mrs. Al Bracke, Baden, Mo.; Mrs. Betty Keeling, Jennings, Mo.; Mrs. Laura Deatherage, East St. Louis; Mrs. Mary Fielder, Savannah, Tenn.; Mrs. Kevin Lucht, Decatur; Mrs. and Mrs. Mike Cox, and Mrs. and Mrs. Mike McLaughlin, all of Godfrey.

### MRS. GRAHAM HOSTS RAINY SUEZ CLUB

Mrs. Alvyn Graham, 2519 E. 24th St., entertained the Rainy Suez card club Monday evening for its monthly meeting.

Each member and guest received a prize after playing games.

The hostess served refreshments to Evelyn Ferro, Lucille Broyles, Pat Petrovsky, Mary Allen, Pat Lee and guest, Karen Broyles and - Marietta Wambach. Mrs. Petrovsky invited the club to meet in her home, 1608 Second St., Madison, for the July meeting.

MR. AND MRS. GEORGE HARMON, whose wedding took place at the Mitchell United Presbyterian Church. She is the former Miss Mary Lou Deatherage, a daughter of Mr. and Mrs. Herald Deatherage, 4380 Lake Drive.

### Accepts post in Flossmoor schools

Miss Ann Aufderheide has successfully completed a master of science degree in speech and hearing science at the University of Illinois, Champaign-Urbana.

The daughter of Mr. and Mrs. Ralph Aufderheide, 2113 Richmond Ave., Miss Aufderheide has accepted a position starting this fall with the Flossmoor (Ill.) School District as a speech and language therapist. She will serve students from the kindergarten through sixth grade level.

Miss Aufderheide received her bachelor of science degree in the same field in June 1973 from the University of Illinois. While at Illinois, she was a member of Zeta Phi Eta, the national professional fraternity

for women in speech arts and speech sciences, and the National Student Speech and Hearing Association.

During her senior year, Miss Aufderheide was active on the departmental Undergraduate Curriculum and Awards Committee and for two years served as a curriculum advisor to undergraduate students.

### LOCAL RESIDENTS ATTEND GRADUATION

Mrs. Doris Ebrecht, 2404 Grand Ave., and Mrs. Clifford Schoenhardt, 364 Wabash Ave., have returned from Buckley, Ill., where they attended the graduation of their grandson, Duane Schoenhardt, from Loda-Buckley Junior High School.

The youth, who previously attended Niedringhaus School, received the American Legion Award during the commencement exercises.

CHURCH SCHOOL PLANNERS who established a curriculum for the three-church vacation school at First Presbyterian Church June 10 to 20. Sponsors, besides the host church, are St. Peter United Church of Christ and Niedringhaus United Methodist Church. Front row, from left, are Peggy Sortor, Marilyn Bodman, Beverly Schutzenhofer, Regina Stickford, Alice Hunsinger, Sue

Hunsinger, Lynda Mathis, Angie Ashcraft, Marilyn Heaton, Sue Miller and the Rev. Robert Kestelut. Back row, Louise Favier, Paulette Patterson, Mary Livingston, Shelly Haldeman, Reba Wallace, Denise Davis, Norma Macios, Jackie Little, Sue Kelly and Carolyn Thornberg. Twenty-two others helped in the planning.

### Combine vacation church schools

Three local churches will join forces to present vacation Bible school at the First United Presbyterian Church, 22nd Street and Delmar Avenue, beginning Monday and continuing through June 20. Sessions will take place each weekday from 1 to 3 p.m.

Co-sponsoring the program are Niedringhaus United Methodist Church and St. Peter

Evangelical United Church of Christ.

All children from 3 years old through the eighth grade level are invited to attend the two-week program.

A choice of special interest activities such as creative dance, crocheting, drama, puppet making, woodworking, creative crafts and music will be offered to children in the third through eighth grades.

## Ashcraft-Voss wedding at Niedringhaus Church

Urns of Becarra red roses interspersed with greenery and baby breath graced the altar, and white and blue satin roses festooned on candleholders provided the setting June 1 at Niedringhaus United Methodist Church for the wedding of Miss Sandra L. Voss and Robert R. Ashcraft.

The Rev. Roy L. Baugh officiated at the double ring ceremony at 4 o'clock in the afternoon, followed by a reception given in the church fellowship hall.

Parents of the bride are Mr. and Mrs. Robert A. Voss, 2555 Cleveland Blvd. The groom is a son of Mr. and Mrs. Ray Ashcraft, 2306 Bern Ave.

Organist, Mrs. Dennis Hatcher, a sister of the groom, played the processional music, including "Largo in G" and "Religious Procession."

Paul Mahrey, soloist, sang "The Lord's Prayer" and "Our Prayer."

Mr. Voss escorted his daughter down the white-carpeted aisle and gave her in marriage.

She was dressed in a bridal gown of halpin ribbon lace. It was fashioned with a molded bodice of tiny tucks and a peasant inset with a high lace collar. Her short puff sleeves were cuffed with eyelet beading.

A pastel blue ribbon accented the high waistline and skirt created of French tiers set together with eyelet beading, blue ribbon and accordion lace.

She wore a Juliet cap to secure her melody-length veil. A pastel illusion bordered with accordion lace and held a Colonial bouquet of Becarra red roses and baby breath.

Matron of honor Mrs. David Belmar and bridesmaids, Miss Becca Ashcraft, a sister of the groom, and Misses Dawn and Teri Voss, sisters of the bride, were gownned alike in floor-length red seersucker dresses.

embossed with tiny white flowers.

The shirred bodices were designed with white ribbon straps and came to a natural waistline. Each attendant wore a white shawl made by the bride's maternal grandmother, and carried Colonial bouquets of white pom poms and red roses.

Both flower girls, Beth Suter, the bride's cousin, and Sarah Frey, were light blue seersucker halter frocks trimmed with lace at the necklines and hems. They carried white baskets of white and red flowers.

The groom chose Michael Frey as best man. Larry Feltmeyer, Dave Belmer and Irvin Slate Jr., a cousin of the bride, served as groomsmen. Ushers were Harry Ashcraft and Don Snodgrass, cousins of the groom and bride, respectively.

A rehearsal dinner for the bridal party and families was hosted at Sunset Hill Holiday Inn.

After a wedding trip to the Ozarks, the newly married couple will reside in Granite City.

The bride, a 1972 graduate of Granite City High School, is attending Belleville Area College.

Mr. Ashcraft graduated in 1968 from Granite City High School and attended SIUE. He is presently employed at the Kroger Co.

### Debbie Jones is shower honoree

A bridal shower honoring Miss Debbie Jones was given during the weekend at the Granite City Moose Lodge by Barbara Freeman, Verma Kietly, Jackie Thiele and Mary Rodgers.

The wedding colors of blue, pink, yellow, purple and white were used in the table appointments and streamers. Wedding bells in various colors centered each table and gifts were placed on a special table decorated with green motifs. The bride's table was appointed in rainbow colors.

Games in keeping with the occasion were played and prizes were awarded to Madamess Sandee Hill, Diana Hall, Debbie Bryne, Vicky Barry, Susan Miskell, Louise Duko, Sandy Widower, Betty Hill, Veronica Wickham and Mary Thornton.

Others attending were Bethella Davis, Betty Holstein, Mary Rodgers, Vera Harmon, Alice Campbell, Leona McMillen, Ida Phillips, Marilyn Galbraith, Betty Carbaugh, Margaret Butler, Velma Farrance, Janice Justice, Margie Ritchie, Louise Justice, Pat Coedrell, Linda Middleton, Chris Bryne, Debbie Harmon, Debby Stevanus, Elaine Stevanus, Karen and Shawn Wolf, Karen Stevanus, Janet and Linda Wickham, Bernice McMillen, Jane Reese and Jo Jones.

5-pc group includes sofa, lounge chair, cocktail table, 2 end tables. Here's the enduring beauty of old Spain captured in massive solid oak, at about what you'd expect to pay for ordinary furniture. Just look at those massive frames and the softly molded steam bent arm caps. Note the extra thick, reversible urethane foam cushions (with zippered covers). You get the plastic-topped tables, too, and the entire group is burnished to a rich, dark oak finish. Wide cover choice, too, come see.

## Specialized Services open house June 13

The public is being invited to an open house at the southern region facility of Specialized Services on Thursday, June 13, from 1 p.m. to 8 p.m. The building used for this workshop is at 327 West Main St., Collinsville, the former Johnston-Varadin auto agency.

The workshop opened in February with 18 clients and now serves over 60 handicapped individuals over age 16 who live in the Highland, Collinsville, Edwardsville, Caseyville and Granite City areas.

Programs are offered to anyone with any handicap who lives in the southern region of Madison County. The Alton facility of Specialized Services serves the northern region of the county.

Professional staff members work closely with each client to supervise evaluation, work adjustment training, work activity and sheltered trainees, who have individual programs of contract assembly work, crafts, recreation, education, counseling or therapy that meets their need for rehabilitation.

The entire program is geared to return the client to the community as a productive individual whenever possible, and employment outside the agency is the ultimate goal. President B. F. Dow reports. An advisory council and board of directors govern the agency. Each group is composed of parents of trainees and community leaders.

Tuition for the evaluation and training programs is funded primarily from the Illinois Division of Vocational Rehabilitation, the Department of Mental Health, the Department of Corrections, schools systems, the Veterans Administration and Social Security.

Anyone who is handicapped and is interested may contact William Crivello, coordinator for the southern region of Specialized Services, at 1-344-3774.

A summer program for high school students is available. Clients who require supplemental programs of therapy, such as that through Mental Health or those working on the General Education Develop-

ment Test or other education, have their programs planned so that rehabilitation is coordinated with all cooperating agencies.

Contracts of light assembly or wood working comprise the production at present, and the public is being asked for possible contract development sources. Any business interested is being asked to call Crivello.

Whenever possible, clients provide their own transportation, but special arrangements are available for the agency bus if necessary. A counselor for housing makes arrangements for a client to move closer to the workshop should this be requested. Family counseling is

offered, and shelter care and nursing home clients receive special attention.

"Please come to the open house June 13 to see how rehabilitation can aid in improved service to the handicapped individual. Many questions can be answered if the program is viewed first hand," Dow concluded.

**MOTORCYCLE IS TAKEN**  
The motorcycle of Donald Davis, 2612 Madison Ave., apartment 4R, was stolen from Davis' home, it was reported at 5:15 a.m. Tuesday. Neighbors saw an individual drive it away.

**LOOKING FORWARD TO RETIREMENT.** Kenneth A. Williams (left), principal of Louis Baer elementary school in Madison for 25 years, was honored Tuesday by over 300 friends at a dinner dance at the Croatian Home in Madison. Williams commented, "I'm way behind on my golf and fishing." From left to right are Williams, George T. Wilkins Sr., superintendent of schools in Madison in 1943-47, Supt. John Pachett presenting Williams with a plaque and Mayor Mike Sasyk of Madison. Williams received several gifts and plaques of appreciation for his 35 years of service with Madison schools. ## Summer school to start Wednesday in Madison

Summer school in Madison will begin on Wednesday, June 12, and end on Thursday, July 25. Classes will meet daily from 8 a.m. until noon.

Classes will be conducted at the Harris, Blair, Dunbar and Louis Baer elementary schools, plus the junior high and high school.

At the primary and elementary school level, the curriculum will include im-

provement and enrichment courses in reading, language arts, arithmetic, science, social studies and art.

Each course will run for two hours and each student can take either one or two courses.

According to the administration, 30 students are needed in each of the improvement courses and 25 students in each of the enrichment courses in order for a

class to be held. Students may register and obtain more information on courses offered by contacting their school principal.

**MODEL A ANNOUNCED**

On May 25, 1974, Henry Ford announced he would replace his Model T Fords with a new Model A car.

## \$941,031 GC Township budget approved

A \$941,031 overall budget for Granite City Township was approved by the Granite City Council, seated as the town board, Monday night.

The budget was the subject of a public hearing at 7 p.m. Monday. Only eight persons attended.

There were no comments offered, and the hearing was adjourned after reading of necessary legal notices and the appropriation ordinance.

The budget includes \$144,767 in the town fund account, up from \$119,175 last year; \$207,850 in the general assistance fund, up from \$199,750 last year; and municipal retirement payments of \$17,000, up from last year's \$13,500.

The balance of \$571,414 represents projected expenditure of federal revenue sharing funds and includes a budget item of \$500,000 for construction of a proposed new township office and recreation building and \$40,000 for land acquisition for the new building if it is needed.

The Granite City Board of

GRANITE CITY PRESS-RECORD  
Thurs., June 6, 1974 Page 12

Education has agreed to donate to the township the abandoned Central School building and site.

The township intends to demolish the building in the near future and to construct the new town hall on that land. In return for donation of the building, the township has agreed to give the school

district 2,000 square feet of office space in the new town hall, rent-free for seven years, to house the Region I special education program.

The Granite City Town Board Monday night also approved the 1974-75 tax levy of \$144,767 for the town fund, compared to last year's town fund tax levy of \$84,575; \$207,850 for general assistance, compared to last year's \$199,750 and \$17,000 for the municipal retirement fund, compared with \$13,500 last year.

The smaller levies last year resulted from allocation of \$25,000 of the township revenue sharing funds to the town fund, and \$50,000 in revenue sharing funds to the general assistance fund.

Last year the township budgeted \$300,219 in revenue sharing funds, with \$200,000 of the amount allocated to construction fund for the proposed new town hall.

The remainder was allotted to various purposes in operating

accounts. The year's budget of revenue sharing funds, in addition to the \$540,000 appropriated for the town hall, includes reallocation of the balances remaining in last year's revenue sharing appropriation.

These include \$8,000 to special services for the aged and poor, \$10,787 to food and hospitalization for the privileged, and \$19,625 for improvements to the assessment system.

## Student concerns topic of booklet

Where can a student go for information on scholarships? Drug problems? Trade schools? Disease?

Who can see student records? Can a school search a student's locker? What are the rules regarding student suspensions and expulsions?

What are the responsibilities of the student and the school?

These questions and others of concern to students and schools are answered in a new publication, "Students and Schools - Rights and Responsibilities," issued by the Office of the Superintendent of Public Instruction.

State Supt. Michael J. Bakalis said this week, "The booklet was developed in response to the many questions directed to

this office regarding educational issues.

"While it is not all-inclusive, it does highlight the current, and often controversial, concerns of students and schools."

He stressed that the booklet does not give legal advice. Specific legal questions should be directed to local school officials or to privately retained legal counsel, he said.

Copies have been mailed to all superintendents of Educational Service Regions, district superintendents, building principals and each student council.

Further information or copies of the booklet may be obtained by contacting: Student Affairs Unit, Office of the Superintendent of Public Instruction, 316 South 2nd St., Springfield.

## Bird dog featured at pet adoptions

An adoption clinic featuring the "Pet of the Month" will be sponsored by the Quad-City Association for Protection of Animals (APA) from 10 a.m. until 4 p.m. Saturday outside the Grant City store in Nameoki Village Shopping Center.

Spotlighted at the June adoption clinic will be a male English setter-type bird dog with an excellent disposition, according to Mrs. Aline Haldean, clinic chairman.

The white and black animal is between 2 and 3 years old, very gentle and good with children and has a definite "grin," the officer said. It has not been determined if the dog is trained to hunt, she added.

Other animals available at Saturday's clinic include a cat, a gentle male sealpoint Siamese, a full grown calico cat and kitten, three hound puppies, half poodle and half basset puppies and several kittens.

A nominal adoption fee will be charged. Those accepting animals to help the non-profit organization operate its humane shelter facility at the

Granite City Army Installation and provide initial immunization shots for the dogs and cats left in its care.

At a special adoption session from 2 to 5 p.m. Sunday, an AKC registered St. Bernard male will be offered, Mrs. Haldean said.

"Oscar" is 2 years old, weighs about 160 pounds and has "show dog" qualities. He is exceptionally good with children, the officer said.

The animal was owned by an APA member who moved last month to Texas and was unable to take the large dog along, Mrs. Haldean explained.

Persons interested in adopting the St. Bernard may apply in person at the APA shelter at the Granite City store in Nameoki Village Shopping Center, Sunday from 2 to 5 p.m. only.

Saturday's adoption center will be located outside the main entrance to the Grant City department store in space donated by the firm as a civic project, Mrs. Haldean advised.

Members of the Student APA Branch will assist at the adoption clinic.

## Flach's squadron best in Air Force

First Lieutenant Michael G. Flach, son of Mrs. Mildred K. Flach, 3144 Davis Ave., Granite City, is a member of the Pope Air Force Base civil engineering squadron that has been selected as the best in the U.S. Air Force. Pope is located at Fayetteville, N.C.

Lieut. Flach is a design civil engineer with the Tactical Air Command's 317th Civil Engineering Squadron, which received the Robert H. Curtin Award.

The award, named for the former Air Force director of civil engineering, is presented annually to the unit maintaining the most economical and effective resources management and operational performance program during the past year. Selection is made by the Society

of American Military Engineers.

The lieutenant, a 1967 graduate of Granite City High School, received a bachelor of science degree in civil engineering in 1971 and a master of science degree in 1972 from the University of Illinois.

He was commissioned there through the Air Force Reserve Officers' Training Corps program and is presently studying for a master of business administration degree at the University of Utah's extension at Pope.

His wife, Maybell, is the daughter of Mr. and Mrs. Bing Lee, 3004 Indiana Ave., Granite City.

## Employment, training law to be explained

A public information conference for the Comprehensive Employment and Training Act program is scheduled to be held beginning at 9 a.m. Friday and Saturday at State Community College in East St. Louis.

The two-day conference, sponsored by the Urban League of Madison and St. Clair Counties, will focus on disseminating information and garnering community participation in program planning, according to Edward Smith, Urban League director.

Smith said workshop areas will center on CETA program guidelines and industrial, vocational and community resources.

Participation will include local, state and federal manpower officials; national Urban League officials and local resources from public and private organizations.

Registration will be free; donations will be accepted to help defray conference expenses.

Interested persons can register by calling the Urban League office or can register on the days of the conference at State Community College, 417 Madison Ave., East St. Louis. The Urban League office is at 234 Collinsville Ave., Suite 428, East St. Louis.

## Appreciation dinner held for committees

The Board of Education of Madison School District No. 12 entertained the Citizens Advisory Council, the Minority Advisory Group and the Student Advisory Committee at an appreciation dinner which was held at Tempel's Smorgasbord.

The three committees are an outgrowth of the A-160 Plan developed by the district as one of the goals of the office of the superintendent of instruction. The ministers' Advisory Group has been instrumental in

initiating a monthly newsletter entitled, "Education This Month in Madison."

All three groups have met on a regular basis and have functioned very well in an advisory capacity, school officials said.

Superintendent of Schools John Patschett introduced each individual and Chester McKanaway, president of the board, commended the groups on their dedication and interest in making the schools of Madison a better place for the students.

## Paralyzed by bullet

Carl David Smith, 31, of 22 Briarcliff Drive, was in serious condition this week in St. Louis City Hospital I after he was shot by a St. Louis policeman during an alleged robbery Saturday night. Smith was reportedly paralyzed, at least temporarily, by the bullet, which passed through his neck and lodged in a shoulder.

He and his wife, Dianne L. (Poe) Smith, 27, of the same address, and Larry Sidwell, 25, of 1824 Twenty-third St., were charged by St. Louis authorities with armed robbery and assault with intent to kill.

Officials said Sgt. Lowell Baker of the Fifth District, St. Louis Police Department, was dispatched to Speckart's Drug Store, 5600 North Broadway, and found three persons holding the owner, Edward Speckart, 63, at gunpoint. Speckart had allegedly been beaten with pistols.

Sgt. Baker said that when he entered the store, he pushed Sidwell out of the way. Baker alleged that Carl David

Smith turned toward the officer with a gun in Smith's hand. The sergeant fired one shot, striking Smith, it was reported.

Officers say they recovered money and drugs from those arrested.

Speckart and Smith were taken to City Hospital I, where Speckart was treated for a cut to his head and was released.

Sidwell, who was on a weekend pass from the U. S. Army in Texas, had been arrested Saturday morning by Granite City police on an intoxication charge. He was released Saturday several hours before the St. Louis holdup.

The Smiths are under indictment by a grand jury, on three counts of possession of a controlled substance — one count, laming amphetamines, one methamphetamine and one pentobarbital. They were arrested April 18 at their home during a Granite City police investigation into drug-related incidents which ended with nine persons in custody.

## Offer statewide tourism brochure

The Illinois Division of Tourism has announced availability of Illinois' first comprehensive, statewide tourism brochure.

Tourism Director Michael Linderman said the full-color, 16-page brochure is part of a new program designed to encourage travel in Illinois.

"In keeping with Gov. Walker's belief that everyone should see Illinois, we have put together a brochure which illustrates the diversity the state has to offer the traveler from the night life of Chicago to the quietude of a 240,000-acre national forest in Southern Illinois," said Linderman.

"Based on the inquiries we are receiving, and the instability of the gasoline situation, it's our feeling that people are planning to travel closer to home in the immediate future."

In addition to over 70 color photographs featuring five major sections of the state—Southern, Central, Western, Northern and Metropolitan Chicago—the brochure has a full page on special events in Illinois.

It can be obtained, free of charge, by writing the Illinois Division of Tourism, 222 S. College St., Springfield 62706.

## New boat safety course

Is "bet you life" a game played by 80 per cent of the recreational boating public?

Last year, 45 million boaters spent \$6.6 billion buying and outfitting nine million pleasure boats.

With more dollars to spend, and more leisure hours to spend it in, the forecast for recreational boating is "growth." The boating industry expects a seven per cent increase in boating expenditures by 1975. The problem with such expansion is safety.

Today, only 20 per cent of boaters have had formal boating education or training. And that percentage is decreasing.

In an effort to reverse the trend, the U. S. Coast Guard Reserve area is offering a two-hour boating safety program. The program covers boating laws, equipment, preparations, problems encountered under way, and emergencies. Boaters who successfully complete the Skipper's Outboard Special course will receive a certificate from the Coast Guard.

without some knowledge of the "rules of the road," federal safety requirements, proper handling techniques or safety habits is playing a dangerous game. The Coast Guard Reserve contends, he's betting his life as well as the lives of those around him on the outcome.

For those residing in the St. Louis area, the course will start at 8 o'clock tonight at the St. Louis County Library, 1640 South Lindbergh.

## Burglar suspect is found asleep

Carroll Bruce Bryant, 31, of Porter, Tex., was charged with burglary this week after police allegedly found him asleep in a bedroom of a mobile home at 72 Kaseburg Park, Pontoon Beach.

The resident, upon returning home, noticed a rug had been ruffled and telephoned police. Bryant allegedly had some of the resident's possessions on him. A bedroom window had been forced open.

### Mexican Commission announces Gonzalez scholarship winners

The Mexican Honorary Commission of Granite City held its first meeting at the organization's new building, 1801 Spruce St., this week. The Rev. Henry Mack, pastor of St. Joseph Catholic Church, gave the opening prayer.

Steve Ortiz, commission president, announced the recipients of the Joseph Gonzalez Scholarship Awards are Ruben Ybarra and Craig Mike Martinez. Both are students at Granite City High School South.

Ortiz also displayed an Illinois State flag which was presented to the commission at the Cinco de Mayo Fiesta by State Senator Sam Vadalabene.

Roy Carpenter, a Spanish teacher at Belleville High School East, described proposed courses to be offered by the Belleville Area College at Granite City High School South starting this fall. Among the college credit courses expected to be made available here is a Spanish language course, Carpenter said.

Earl Warnhoff was appointed to the membership screening committee and reports were given by Mrs. Ofelia Mendoza on the May fiesta and Tom Carney, who headed the commission's part in a festival in downtown Granite City. Both functions were "very successful," the organizers said.

Plans were made to take part in the Granite City Jaycees' homecoming event which starts Thursday, June 13 at the American Village Shopping Center on Felling Road.

Sixty-three members spent the remainder of the time socially. Games were played and refreshments of polo, pork and tostadas were served by Mrs. Salvador Ybarra and Mrs. Jose Ybarra.

### St. Peter Guild installs

The Evening Guild of St. Peter Evangelical United Church of Christ conducted installation ceremonies for newly elected officers who will serve during the year at a meeting Monday night at the church.

Those installed were Mrs. Ruth Ann Bartles, president; Anabelle Patton, vice-president; Mrs. Ruth Brave, secretary; and Laura Taylor, treasurer.

A devotional lesson entitled "Living by the Golden Rule" was presented by Dorothy Kinney.

At the close of the business session, an auction was conducted by Helen Todd and Bea Rittenhouse and refreshments were served by Shirley Glenn and Rosemary Kaburek.

### Father, two sons graduate

A Granite City father and his college and high school age sons are receiving graduation diplomas at their respective schools this week.

J. R. "Charley" Shanks, 23 Devon Hill Lane, will receive an associate degree in business at commencement exercises on Saturday morning at Southern Illinois University at Edwardsville.

Earlier this week, David Shanks, 21, was conferred his bachelor of forestry degree in ceremonies at Colorado State University at Fort Collins, Colo.

He is married to the former Carol Carver, a junior at Colorado State U., and is planning to return to the university this fall to begin studying toward his master's degree.

Donald L. Shanks, 17, will receive his high school diploma at commencement exercises Friday at Granite City High School South. He plans to start his college career in September at SIUE.

Mr. and Mrs. David Shanks are house guests this week of the former's parents.

The Shanks family is inviting friends to attend an open house at 6:30 p.m. Saturday to honor the graduating trio, Mrs. Shanks said.

## Glenview Chapel will be annexed

The Granite City Council on Monday evening adopted a resolution suggesting an annexation of Glenview Chapel Assembly of God, 3600 Maryville Road, into the city.

The document is a letter of intent to annex the three-acre property after the church has had necessary annexation documents prepared.

Aldermen discussed a proposal by the U. S. Office of Manpower Development under the Title II program which would provide men to meet community needs at no cost to the city for the first year.

The city should be prepared to assume the cost of the salary after the first year, it was noted.

The letter suggested that civilians be hired under the program as dispatchers or jailers, freeing uniformed policemen for street duties.

Aldermen Gerald Parmley warned the council against accepting the offer without careful consideration. "We have taken care of our city without their help and we can continue to do so," Parmley said.

"We will get sucked in. Maybe not on the first year, but for 25 years afterwards," he added.

Mayor Schuler assured the aldermen, "Until we get guidelines, we're not going to do anything like that."

Alderman Sam Whitmer noted that the council has been considering hiring four civilian police dispatchers. "If we can get help hiring four civilian dispatchers, I don't think we should turn this down," he said.

The aldermen agreed to place the letter on file and the meeting's minutes, pending receipt of guidelines.

Permission was granted to the Granite City Park District to ignite fireworks in Wilson Park July 4, or on the soonest available date in the event of rain July 4.

The council was informed that a jury had awarded a \$7,750 settlement to a woman who fell on a sidewalk at 14th Street and Grand Avenue and was injured.

The aldermen voted to appeal the decision, if time permitted the filing of an appeal.

Illinois Power Co. was granted authorization to excavate on the east side of Benton Street from 24th to 22nd streets and from Benton to Adams street along 22nd Street.

The company will replace old cast-iron pipe with new steel pipe. Construction is to begin June 17 and end in July.

The street and alley committee was asked to meet with representatives of a cable television firm and the company's attorney as soon as possible to discuss the possible bringing of cable television into the city.

Alderman Dawes recommended that councilmen observe new, brighter street lights being installed in

Funeral services were conducted at 10 a.m. today at a Madison funeral home for Mrs. Alma (Peters) King of Murray, Utah, mother of Edmond King of Granite City.

She died at 6 a.m. Monday in her home.

Also surviving are two daughters, Mrs. Bernard (Edna) Jansen of St. Louis and Mrs. Lou (Alma) Mahood; five other sons, Charles, Robert and Raymond King of St. Louis, Larry King of Hackensack, N.J., and Lawrence King of Orlando, Fla.; three sisters, Mrs. Mildred Buel, Mrs. Alvina Dill and Mrs. Julia Brix, all of St. Louis; 12 grandchildren and 10 great-grandchildren.

Details are given in the obituary column.

Madison and consider similar lights for Granite City streets.

The council concurred in Mayor Schuler's appointment of Ed Goodlin as a member of the Granite City Air Pollution Control Board.

Councilmen were informed that the county has approved the appointment of Chris Von Nida as a commissioner of the Granite City Housing Authority.

John Dutko, city building inspector, reported at the Tuesday evening council meeting that in the last two weeks he has made 32 inspections in relation to the new zoning ordinance and answered three complaints of negligence.

"I think our city building inspector and our health officer (Gene Robertson) are doing a really great job," Mayor Mike

Sasyk told the council. "It is sure taking up a lot of their time and I, for one, did not realize that so many people move in and out of our city."

"If we keep upgrading the looks of the property, within a year to a year and a half our residents will be mighty proud to live in Madison."

Alderman Richard Kimmer said he has heard that a junk yard is being operated in violation of the city zoning ordinance and without a license.

Mayor Sasyk asked the building and health inspectors to contact the owner, give him a 10-day notice to have the junk

removed, and begin legal action if there is no compliance.

Mike Macek, 1517 Sixth St., Madison was made a probationary fireman by the council on the recommendation of Fire Chief Eldon Rhoads.

Macek has been serving as a fire cadet for four years.

The council approved \$175 each for four firemen to attend the Illinois Fire College at the University of Illinois, Champaign-Urbana, June 6-8.

Attending will be Robbie Robbins, John Harrison, Bud Coffey and Terry Rhoads.

The council approved purchase of summer police uniforms and related accessories in the amount of \$1,800.

City Attorney Casper Nighobossian reported, "I have turned over a check to the city in the amount of \$419 from the Gateway Transportation Co., plus court costs resulting from a suit we filed in regard to damage to city property in 1969."

Mayor Sasyk said he had received a letter from the Illinois Commerce Commission that it will send an investigator to check the condition of railroad tracks at several locations in Madison.

"We have another problem, and that is our street improvement program. It has come to a complete stop due to the construction strike both here in Illinois and in Missouri," Mayor Sasyk lamented.

"This presents a real problem in the 14th Street area, where the work is only partly finished. All we can do is wait until the strike is settled."

Mayor Sasyk informed the council that at the next meeting he will recommend employee appointments for the coming year.

He asked the aldermen to review a report submitted by Albert G. Hudzik, city comptroller on cash receipts and disbursements for the fiscal year of May 1, 1973 to April 30, 1974. The report will be discussed at the next meeting.

Bills in the amount of \$23,577 for the period of May 20 to June 4 were approved for payment.

## Budget nearly ready

Granite City aldermen on Monday night approved a salary increase to \$7,300 per year for Casmer Skubish, air pollution investigator. The increase was made effective May 16.

The council agreed to let the city air pollution control board discuss ways of supplying transportation for Skubish or for reimbursing him for his mileage.

It was reported that the city's budget is completed, except for the insertion of salary increases for city employees. Negotiations still are under way on new contracts.

Alderman Frank Greenwald of the Second Ward recommended that Sam Whitmer of the Second Ward be added to the negotiating committee, since Alderman Roy Poulos is hospitalized and Alderman Walter Nomm has declined to serve on the three-man committee. The council concurred in the request.

A city payroll of \$87,000 for June was approved.

A check for \$71,000 received as partial reimbursement for sewer breaks under the Office of Emergency Preparedness flood assistance program was distributed to various funds where there were deficits.

A request by the village of Pontoon Beach to enter into a contract with the city for use of a street sweeper was presented. The village needs to clean its streets before beginning its motor fuel tax street improvement program.

Alderman Emerald Dawes commented that the Granite City Street Department has been criticized for not sweeping enough streets in the city.

"Here we are renting our equipment out," he remarked.

Alderman Whitmer made a motion to instruct the superintendent of streets to try and comply with the village's request and the motion was approved.

At the request of Alderman Gerald Parmley, Mayor Paul Schuler instructed the street superintendent to cut grass in the St. Clair Avenue parkway as soon as possible.

The council voted to have its engineer check a complaint by a resident of the 2400 block of Woodlawn Avenue that the city is responsible for replacing its two-foot-thick section of dirt on its property taken during a 1970 sewer project.

The man told Alderman Ronald Coleman of Ward Seven that removal of the dirt caused a change in the surface drainage of the property, causing water to flow toward the house rather than away from it.

Alderman Dawes commented that if one man's dirt is replaced, the city may have to transport free dirt into "every yard in the neighborhood," including Alderman Dawes' home.

**7 Metropolitan staff members at Florida meet**

Seven members of the staff of the Granite City office of Metropolitan Life Insurance Co. at 3703 Nameoki Road are at Disney World, Fla., this week for a business conference with officers and officials of the company.

Those attending the meeting are E. Ray Grisham, 82 Shirlin Drive, Richard Suess, 3200 Willow Ave.; James McConkey, Collinsville; Dwayne Sullivan, 2432 Woodlawn Ave.; Clifford Hoesbeck, 2500 Emert Ave.; Kenneth Neukam, 1621 Venice Ave.; and James Loyet, Troy, Ill.

They had "exceptional sales and service records" last year and are among the top-ranking members of Metropolitan's staff of 22,000 sales representatives in the U.S. and Canada.

The local district sales office, under the supervision of District Sales Manager Grisham, has a staff of five sales managers, 16 sales representatives, 18 agents and nine clerical employees.

**WALTER DOMBROSKI RETURN FROM HAWAII**

Mr. and Mrs. Walter Dombroski, 2615 Madison Ave., returned home during the weekend from a two-week vacation which included a tour of the major Hawaiian Islands.

While in Honolulu, Mrs. Dombroski attended the annual conference of the National Association of Credit Management. A brief stay in Las Vegas, Nev., also was enjoyed by the Granite City couple.

# Frogs—along with people, music, games, races and rides—help make campus 'jump' during Spring Fest

Thurs., June 6, 1974 Page 20 GRANITE CITY PRESS-RECORD

One of the most popular events of the year on the campus of Southern Illinois University at Edwardsville is the Spring Fest, a week-long series of indoor and outdoor activities which attract the participation of hundreds of people of all ages.

Sponsored by the Student Activities Major Events Council, the festival begins on Sunday with a wide range of games, races, tournaments, music and food at the Tower Lake recreational area.

Concerts and films are featured during the week, and a fashion show by foreign students highlights an "international day" when the University Center offers international food, entertainment, and a bazaar.

Carnival rides are set up on the expansive lawn west of the Center, and various student organizations have carnival booths for people to test their skills.

Among the most popular events are the daily "funky olympics" which include sack races, "izzy-dizzy" relays, tricycle races, frog jumping contest, tug-of-war, and a balloon race, all on the hairpin drive in the academic core area. Inside the Goshen Lounge, contests are highlighted by a noontime corn-on-the-cob eating competition.

evening climax the week of events.

According to Tom Wille, chairman of the Major Events Council, "Spring Fest is a lot of work, but it's worth every minute of it. The enthusiasm is exciting and contagious, and everyone gets a new lease on life."

## Cyclist hit

Keith Hudgings, 12, of 2820 Edwards St., was struck by an auto on Madison Avenue at 30th Street at 5:30 p.m. Monday. He received slight injuries.

Witnesses said the boy was riding a pedal-cycle westbound and rode into the street. The auto of Elaine Evans, 2580 Washington Ave., skidded 57 feet but she was unable to avoid striking the boy.

"BRIGHT EYES," champion of the frog jumping contest held during Spring Fest at Southern Illinois University at Edwardsville, gets a pat on the back from her owner, Carla Vessell of Belleville.

**A PIE IN THE FACE** is one of the hazards endured by tricyclists in the "funky olympics" competition at the Southern Illinois University at Edwardsville Spring Fest. Undaunted although temporarily "blinded" is Angie Jotte of Belleville.

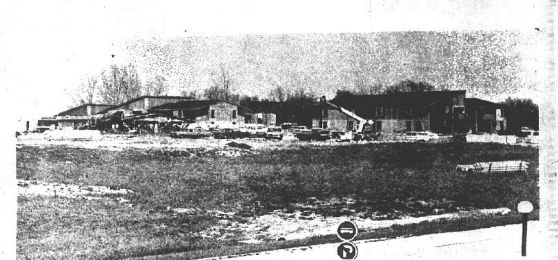

**FOREIGN FASHIONS** highlighted an International Day style show at the University Club restaurant in the Southern Illinois University at Edwardsville University Center. The event was a feature of the annual Spring Fest. Modeling Persian fashions is Sharon Varady of Cahokia.

**DARREL FOSTE** of Forest City, winner of the corn-on-the-cob eating contest at Southern Illinois University at Edwardsville Spring Fest, finishes an ear of corn as a competitor races to catch up. Foste ate 10 ears of corn in less than five minutes.

"MAN YOUR RACERS," cries the official starter as students at Southern Illinois University at Edwardsville run toward their tricycles for the beginning of the men's competition, a highlight of the annual Spring Fest.

**HOUSING FOR 1,000 STUDENTS** is under construction in the Tower Lake II complex of apartments at Southern Illinois University at Edwardsville. The site is north of the existing Tower Lake Apartments. The project includes 31 two-story buildings and a commons building for administrative offices, meeting rooms, lounge areas and a snack bar. Occupancy of some of the buildings in anticipated in September, and the project is expected to be completed by early 1975.

## Intern program

A public service intern program for this year's graduates of universities in Illinois will be started in the Illinois secretary of state's office this summer, Secretary Michael J. Howlett announced this week.

A group of 10 to 20 graduates will be selected for the program. They will be assigned to one of the departments in the office for one year, receiving training in functional areas prior to final placement.

"Our purpose is to attract a share of talented, public service minded young people from state campuses," Howlett said. "We are hopeful that many of the trainees will make the secretary of state's office their long-term career."

Graduates with high academic standing in their class in nine state universities were interviewed by the personnel staff of his office. Final interviews are now being held.

## Bookmobile stops announced

The Granite City Public Library bookmobile will begin its summer schedule of visits to schools Monday. The bookmobile will be open Mondays through Fridays until July 26.

In addition to public school visits, the bookmobile also will make stops at the Anchorage homes and at St. Elizabeth School.

Public school visits will include: Frohardt School, each Monday from June 10 to July 22; Washington School each Tuesday from June 11 to July 23.

Nameoki School, each Wednesday from June 12 to July 24; Marshall School, each Thursday from June 12 to July 25, and Maryville School, each Friday from June 14 to July 26.

In addition, the bookmobile will be at the Anchorage from 1 p.m. to 3 p.m. Tuesdays, June 11 and 25, July 9 and 23 and Aug. 6 and 20.

Stops at St. Elizabeth School are planned from noon to 3 p.m. each Friday, June 14 to Aug. 23.

## Prather pupils raise \$1,087

Seventh and eighth grade students of Prather Junior High School joined more than 100 other Granite City volunteer youngsters last month in a "walkathon" to help raise money for the March of Dimes, and a tabulation this week showed that Prather participants in the 10-mile walk raised a total of \$1,087. Wally DeShon was credited with raising \$100 of the total amount.

**CARNIVAL RIDES** are one of a variety of outdoor events offered during Spring Fest at Southern Illinois University at Edwardsville. Observing the action are Keri Bain of Granite City and Jim Heilrath of Edwardsville.

**TUCKERS HONORED ON GOLDEN ANNIVERSARY**  
The 50th anniversary celebration of Mr. and Mrs. John W. Tucker was held at Trinity Pentecostal Church in Washington Park during the weekend with renewing of their vows.

Organ music was provided by Mrs. Marlene Jeris. The song, "Always," was sung by their son-in-law, Joseph Fox; their granddaughters, Mrs. Barbara Glowacki and Mrs. Debbie Dye, sang "All My Life."

The ceremony was led by the Rev. Charles Jeris. Attendees were their daughter and son-in-law, Mr. and Mrs. Joseph Fox, who were celebrating their silver anniversary on the same date.

Mrs. Tucker chose a floor-length green gown, while Mrs. Fox was dressed in a long blue gown.

A reception was held in the church fellowship hall, which was decorated in green and gold. The table held a large wedding cake.

There were approximately 150 guests. Many gifts were presented to the couple.

Mr. and Mrs. Tucker have five children, 20 grandchildren and seven great-grandchildren. Mrs. Tucker is the daughter of Ben Williams of Pontoon Beach, who is nearing his 90th birthday. He attended the celebration.

### BIBLE SCHOOL PARTY

There will be a pre-registration party for the daily vacation Bible school of the Pontoon Church of Christ Saturday from 1 p.m. to 3 p.m., with games, cartoons and popcorn for the youngsters.

Directors are Mr. Loretta Werthe, Mrs. Eileen McDonald and Delores Rose. The sessions will be held each evening from 7 to 9 o'clock for two weeks beginning June 10.

### VACATION SCHOOL

Central Baptist Church of Highway 111 will have daily vacation Bible school June 10-21 for preschoolers four years old through the sixth grade.

The Rev. John Lamb will direct the school. There will be a parade on Saturday and a family picnic on the evening of June 21, with games and contests.

Miss Cindy Bradley has returned from the Bill Rice ranch. She attended a conference on the deaf sign language and is training to be an interpreter to the deaf. Her instructor was Mrs. Bill Rice; their ranch is one of the largest of its kind and is located in Murphreesboro, Tenn.

Mrs. Helen Burgess has returned from Effingham, where she visited her brother, A. W. Pitchford. She also visited friends in Noble, Ill.

The Junior High Training Group of Pontoon Baptist Church was host at a fellowship hour Sunday evening after the worship service.

After games, refreshments were served to Mr. and Mrs. Kenny Carver and daughters, Amy, Janice and Rhonda; Mrs. Bea Harvey, Susan and Laura Lee Flowers, the Rev. and Mrs. Walter, Mrs. Leta Kollenburn, Helen Brugges, Mary Sturdivant and children, JoAnn and Johnnie, Harold McBride and daughter, Lisa, Mrs. and Mrs. Roger Mulnick, Eddie Cuvier, Debbie Harvey, Keith Anderson, Carla Hileman, Gregg Falter, Tammy Jones, Marla White, Donald Marcum, Lori White and Sherri Marcum.

**BIBLE SCHOOL TO OPEN**  
The vacation Bible school will begin Monday, June 10, at Cedar View General Baptist Church. Classes will be held nightly for one week from 7 to 9 o'clock for ages three years and up. Mrs. Jewel Black is director, with Mrs. Betty Smith as assistant.

Mr. and Mrs. Larry York has a houseguest during the weekend the Rev. and Mrs. Rudolph Hickerson of Cedar View Church. The next day they were guests of Mr. and Mrs. Charles Tucker of Edwardsville.

The Cedar View softball team was victorious in its first game of the season by a winning score of 24-22. The team manager is Larry York. The game was played at the Duplo diamond.

### STEAMSHIP DEBUT

The Savannah, first steamship to cross the Atlantic, began its voyage from Savannah, Ga., to Liverpool, England, on May 24, 1919.

**TRINITY METHODIST 50TH ANNIVERSARY.** Trinity United Methodist Church, E. 25th and Henry Streets, began Tuesday afternoon the distribution of bumper stickers heralding the 50-year milestone. The church was organized Aug. 12, 1924, and met at Webster School. The Rev. Ellis Dugger, left, receives the first bumper sticker from Mr. and Mrs. Glen (Ellen) Christy, who have been members for 45 years. Special services will begin Sunday and continue each Sunday until Aug. 11. Guests, including former pastors and members, will be speaking every Sunday evening during the summer as part of the observance. Members of the administrative board who were present Tuesday to receive the bumper stickers are shown on the church steps. (Press-Record Photo)

## Films, books, records for youngsters at GC Library

The Granite City Public Library held the first session of its summer Children's Film Festival yesterday beginning at 2 p.m., directed by Mrs. Rose Bone and Mrs. Carole Canady.

Films covering a wide range of interests and programs will be shown each Wednesday afternoon at the library lower level, entrance is on 20th Street.

"Beaver Valley," the story of the life cycle of beavers and the engineering skills they have developed, will be shown next Wednesday, primarily for ages 6 to 9 years. The remaining schedule follows:

June 19, interest level 3-6 years. "Little engine that could," the story of a small train and the engine that delivered a load of toys to children on the other side of a mountain.

June 26, interest level, all ages. "Doughnuts," a doughnut machine goes berserk and fills Uncle Ulysses' Luncheonette with doughnuts; Homer Price finds a solution.

July 3, interest level 3-6 years. "Frog-a-went-courtin'," retelling of old folk song, with a singalong at the end of the film.

July 10, interest level 6-9 years. "Princess and the Pea," the problems of a young princess trying to prove worthy of marrying the prince.

July 17, interest level 3-6 years. "Five Chines Brothers," five identical brothers outfit the townspeople and save themselves.

July 24, interest level 6-9 years. "Hercules," the tale of an old-fashioned fire engine which heroically saves the town hall.

July 31, interest level, all ages. "Sharks," the story of an often misunderstood creature of the deep.

Aug. 7, interest level, 3-6 years. "Jack and the Beanstalk," the oft-told tale of Jack and the giant he conquers; illustrated.

Aug. 14, interest level 6-9 years. "Ghosts and Ghoules," a spoof on ghosts and unknown things.

Aug. 21, interest level 3-6 years. "Boxes," boxes come in many shapes, sizes and colors. They can become many things with a little imagination.

Aug. 28, interest level all ages. "Hound that thought he was a raccoon," a film about a hound raised by a mother raccoon as one of her own.

In addition to the films, there will be other surprises for the children. Enough supervision will be provided that parents, if they would like, may leave their children in the juvenile department while they browse through the main library. There are many new books and recordings available.

Hours for the children's and adult departments are as follows:

Mon.-Thurs. 8 a.m.-9 p.m.

Fri. and Sat., 8 a.m.-5 p.m.

A spokesman noted that the library "hopes that with the Children's Film Festival, children will be stimulated to make more use of the library that is especially for them."

"The Children's Library is located in the lower level of the building. During the evening hours, the 20th Street door will be closed; however, we welcome youngsters to use the main library entrance."

"Juvenile evening hours have been established primarily for the children of working parents who could not come to the library before 5 p.m."

"We encourage all ages to take advantage of their library. In this era of inflation, it's the best buy in town - free to all Granite City residents and only \$3 per year for non-resident family cars."

### Boy, 4, struck

James Daniels, 4, of 206 Wilson Park Lane, was struck by the auto of Damian Caffrey, 24 Wilson Park Drive, in front of the Daniels boy's home at 6:15 p.m. Tuesday. Witnesses said the boy ran in front of the north-bound car.

The youngster was taken by Caffrey to St. Elizabeth Hospital, where he was treated for abrasions to his nose and back. X-rays were taken and he was released.

**FUNCTIONS OF ILLINOIS STATE POLICE** are discussed at a meeting of Explorer Post 10-33, law enforcement specialty post sponsored by Granite City Police. From left to right are Mark Hoffman, post secretary; Bruce Gordon, vice-president, and Trooper Bill Simpson.

## State police role studied

Traffic control, emergency situations and guarding the governor of Illinois are the main duties of the Illinois State Police according to Trooper Bill Simpson of the education section of the state police. He was the guest speaker at a meeting of Explorer Post 10-33.

Post 10-33 is a law enforcement specialty post sponsored by the Granite City police department.

Trooper Simpson reviewed entry requirements for the state police and told the Explorers what could be expected at the police academy.

The state trooper commended the local Explorers for their work in supporting the Granite City police department's "Officer Friendly" program.

Explorers present were Steve Fischer, Tom Cox, Brad French, Mike Mennerick, Mark Hoffman, Bruce Gordon, Tim Vizer, Dave Schnefke, Mark Carich, Terry Ashby, Tom Wilkinson, Kyle Smith and Rick Knight. Officer Roy Koberna is post advisor.

The police explorers meet at 7:30 p.m. on the second and fourth Wednesdays of each month at the GC police department. Membership is open to young men, 15 through 20 years of age, who are interested in law enforcement.

## Shower fetes Marie Rodeck

Miss Marie Rodeck, a July bride-to-be, was complimented at a bridal shower this week at the Venice Recreation Center at Lee Park, Venice.

Hostesses for the party were Mrs. Edith Rodeck, the bride-elect's mother; Mrs. Mary Lou McKinney, mother of the bride; and Mrs. Hazel Pozniak, grandmother of the groom-elect.

Miss Rodeck will be married July 13 at the Venice United Methodist Church to Daniel T. McKinney, son of Mrs. Mary Lou McKinney, 1000 Third St., Venice. The groom's parents, Mr. and Mrs. Jack Rodeck, reside at 2820 Hemlock Ave.

Many gifts were received and the guest of honor was assisted in opening the packages by Mrs. Jacqueline Snell, her sister who will serve as matron of honor at the wedding, and bridesmaids, Sharon Stockton, Janet Harper and Cindy Johnson.

Games were played under the direction of the hostesses, who awarded prizes to Miss Pat Potrzebowski of St. Louis and Mrs. Janet Schappe of Venice.

A dessert course was served to Mrs. Ira Parker, grandmother of the bride-to-be; and Grace Hogan, Margaret Parker, Shirley Hogan, Anna Hogan, Connie Parker, Debbie Parker, Dorothy Hogan, Vickie Harper, Patricia Harper, Judy Thompson, Cecilia Johnson, Josephine Parker, Ann Genovese, Fran Genovese, Ann Boelling, Zelma Hurt, Bessie Stoll, Vivian McKinney, Irene Ebersold, Ann Caudron, Jessie Cooper, Emily Adams, Opal Caudron, Betty Hallows, Judy Guffey, Sandy Stoll, Thelma Johnson, Ruth Winter and Lisa and Chris, Jessie Blades, Dorothy Hinson, Delores Hill, Janet Schappe, Grace Koelker, Alice Rumpf and Christine, Cheryl Hubbard, Arlene Slaby, Deloise Riddle and Cheri, Kande, Shemwell, Flora Alford, Judy Haggard and Mike, Dorothy Haggard and Cindy and Debbie, Jeri Hill, Doris Neal, Lillian McKeever, Pat Potrzebowski, Ethel Suddeth, Diana Scherrills and Norma Aubuchon.

Parents of the prospective groom, Mr. and Mrs. John W. Chrusciel, reside at 2515 E. 24th St. He is a 1972 graduate of Madison High School and is employed at Moss-American, Inc., Madison.

Miss Hull attended Granite City schools. The engaged couple is completing plans for an Aug. 31 wedding at the Madison First United Presbyterian Church.

MISS CAROLYN HULL, whose parents, Mr. and Mrs. William A. Hull, 2504 Edwards St., are announcing her engagement to Stephen Lee Hayden. An Aug. 31 wedding is planned.

## Miss Hull to marry in August

The engagement and plans for a late summer wedding of Miss Carolyn Elaine Hull and Stephen Lee Hayden are being announced by the bride-elect's parents, Mr. and Mrs. William A. Hull, 2504 Edwards St.

Parents of the prospective groom, Mr. and Mrs. John W. Chrusciel, reside at 2515 E. 24th St.

MARRIED. Navy Fireman 1st Class and Mrs. Richard Steven Gerlach, who were married at Niedringhaus United Methodist Church. She is the former Miss Carolyn Jean Reeves, a daughter of Mr. and Mrs. Virgil Reeves, 2033 Washington Ave. (Olla Photo)

## Carolyn Reeves becomes Mrs. Richard Gerlach

Miss Carolyn Jean Reeves, a daughter of Mr. and Mrs. Virgil Reeves, 2033 Washington Ave., and Navy Fireman 1st class Richard Steven Gerlach, son of Mr. and Mrs. Cleve Gerlach, 1708 Edison Ave., exchanged wedding vows at 2 p.m. on May 19 at Niedringhaus United Methodist Church.

Captain Ronald Kerley of the Salvation Army officiated at the double ring ceremony before an altar adorned with bouquets of pink, yellow, lavender and blue pom poms.

Branched candelabra with lighted tapers were on either side of the altar and the white carpeted aisle was illuminated with tall single candle standards festooned with blue satin bows.

For her wedding, the bride wore a Chantilly lace and organza gown designed with a high neckline and long fitted sleeves.

The bouffant skirt was fashioned of tiers of scalloped lace. She wore a mantilla veil edged in matching lace and held a cascade of white roses, pom poms and baby breath, centered with a rose corsage.

Miss Pam Leaky, maid of honor, was gown in a floral voile dress, full length, made with a sweetheart neckline and short puff sleeves. Little sprigs of flowers in pink, yellow, lavender and blue created the fabric pattern and a blue satin ribbon belt was used as accent.

She wore a blue picture hat and carried a colonial bouquet of pom poms in colors to match her gown.

The flower girl, Tina Baranick, wore a frock of white eyelet traced in a light blue shade. The dress had long full sleeves, a high neckline and was complemented with a wide brimmed white hat. Her bouquet was similar to the honor attendant's flowers.

Jerry Bellorich, a cousin of the bride, served as ringbearer. Mike Kuehn, an uncle of the groom, was the best man.

Robert Reeves, a brother of the bride, and Danny Kuehn, the groom's cousin, seated the guests.

Mrs. Reeves, mother of the bride, selected a full length pastel blue gown with long lace sleeves. The groom's mother, Mrs. Gerlach, was attired in a peach colored formal length dress. Both mothers wore white rosebud corsages.

A reception was held in the church fellowship hall immediately following the service. Both young people are graduates of Granite City High School. The groom is now stationed with the U.S. Navy in Vallejo, Calif., where the couple will reside.

STRAWBERRY FESTIVAL plans are made by members of the Christian Women's Fellowship of Central Christian Church. The public festival and bazaar is scheduled from 4 to 8 p.m. Saturday at the church. From left to right are Mesdames Myra Parrish, Joyce Bennington, Marie Gordon, Barbara Waldo, Pat Sanders and Marge Kacera. Fresh strawberries and homemade shortcake and ice cream will be featured.

## Eastside parents Festival at Central Christian

The annual Strawberry Festival and Bazaar, sponsored by the Christian Women's Fellowship, will take place from 4 p.m. to 8 p.m. Saturday at Central Christian Church, 2020 Johnson Road.

The public is invited to attend and tickets, costing 75 cents each may be obtained in advance from CWF members or at the door. Each ticket entitles the bearer to fresh strawberries, homemade shortcake, ice cream and coffee.

Beth Spengler and Aris Ault, general co-chairmen, said the spring bazaar will feature many unique and attractive hand-crafted items.

Leading the planning and arrangements for this year's CWF project are June Aerie, stitchey and crafts; Vanna Berkbigler, kitchen coordinator; Joyce Bennington, treasures and trivis; Luneta Durbin, country kitchen; Marie Gordon, garden gallery; Lynda Leggett, kiddie corner and Joyce Schrader, publicity.

LOOT AUTOMOBILE Items worth about \$400 were stolen from the auto of Gaylord Grindstaff, 2200 Woodlawn Ave., parked at Grindstaff's home, it was reported early this week. A wire was believed used to unlock a car door. Taken were a tape player, eight tape recordings and a green tool box and tools.

## Bicycle safety, Pack 107 topic

"Bicycle Safety" was the topic of Robert Grieve, owner of Tri-City Shop, who spoke to Club Pack 107 at its meeting last week at the Venice Recreation Center.

Webleo Scouts Tim Scaturro and Percy Wilkinson were recognized in honor of their graduation into a Boy Scout troop. Scaturro, received engineer and geologist activity badges and Wilkinson was presented geologist and artist badges.

Cubmaster Pete Wilkinson presided at the awards ceremony. He also gave Ronnie Buechler and Frank Wilkinson their Webleo colors and books upon advancing to the Webleo Den; a one-year perfect attendance pin to Larry Hartman and Bear books to Hartman and Paul Billberg.

The opening ceremony was led by Hartman and Harold Koelker. It was announced the pack will hold its annual picnic at Lee Park, Venice, on Sunday, June 23, beginning at 3 p.m.

MISS LYNETTE WHITTINGTON

## Delegate to Switzerland

The Rev. Herbert Merritt, pastor of the First Church of the Nazarene, has announced that Miss Lynette Whittington, a daughter of Mr. and Mrs. Kenneth Whittington, 521 East Chain of Rocks Road, Mitchell, is one of more than 2,000 Nazarene teenagers from around the world chosen to attend the World Youth Conference at Fiesch, Switzerland, during the week of June 18.

Miss Whittington, who will be a senior in the fall at Granite City High School North, will depart June 16 for the one-week conference.

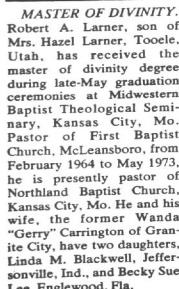

The Christian, teen-centered convocation is a quadrennial event sponsored by the Nazarene Young People's Society, an auxiliary of the Church of the Nazarene with headquarters in Kansas City, Mo.

The Rev. Melvin McCullough, head of the Nazarene Department of Youths, says, "The World Youth Conference offers a fantastic opportunity to make youth conscious of the fact that our church is a world church, and to do it in an international setting."

"It is an unprecedented occasion for deep spiritual enrichment and an opportunity to take seriously the great commission to share the gospel with our generation."

Major speakers will be Dr. Edward Lawlor, general superintendent; Rev. McCullough; and Rev. Talmadge Johnson, current general president of the Nazarene Young People's Society.

Featured on the program will be Bible quiz playoffs and a premiere performance of a new Nazarene youth musical called "There's Life in the Son."

MASTER OF DIVINITY.

Robert A. Lerner, son of Mrs. Hazel Lerner, Tooele, Utah, has received the master of divinity degree during late-May graduation ceremonies at Midwestern Baptist Theological Seminary, Kansas City, Mo. Pastor of First Baptist Church, McLeansboro, from February 1964 to May 1973, he is presently pastor of Northland Baptist Church, Kansas City, Mo. He and his wife, the former Wanda "Gerry" Carrington of Granite City, have two daughters, Linda M. Blackwell, Jeffersonville, Ind., and Becky Sue Lee, Englewood, Fla.

# ATTENTION HIGH SCHOOL GRADUATES

The time has come to make some fundamental decisions largely on your own. Should you continue your education in college, or through technical or on-the-job training, etc.?

Any decision you make should include how to fulfill your obligation to your country.

Many young men have found that the Army Reserve short-term active duty program enables them to continue their education, or get a job and start their civilian careers at the same time they serve their country.

Seriously consider the Army Reserve in your future. For more information (no obligation, of course) call 254-0174 or write

# American Steel honored for employing veterans

The Granite City plant of the American Steel Foundries this week was awarded a citation by the 22nd District of the American Legion for cooperation and participation in the employment of veterans.

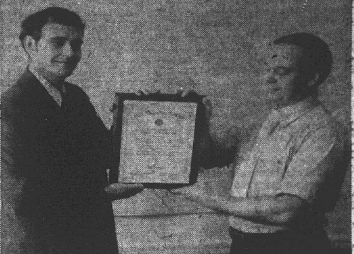

Announcement of the award was made at the 22nd District American Legion Convention held at the George E. Hilgard Post 58 Freedom Farm, Belleville, on Sunday.

Darrel Stiles, manager of the Granite City office of the Illinois State Employment Service, made the presentation of the plaque to William W. Bright, employment supervisor for the American Steel plant at the local plant Tuesday.

The Granite City plant employs about 1,450 workers and has been a member of the American May 1973 have hired 273 veterans.

This effort was the result of cooperation between the company and the local ISES to afford many Vietnam veterans with employment opportunities.

The American Steel Foundries' parent company is Amsted Industries of Chicago.

**CITATION OF RECOGNITION** was awarded the American Steel Foundries plant in Granite City this week for cooperation and participation in the veterans' employment program of the American Legion. ## Oriental Band 2nd in Great Lakes judging

The Aina Shrine Temple Oriental Band won second place at the Great Lakes Association of Bands competition in Terre Haute, Ind., during the weekend. First place was awarded to Zenobia Temple of Toledo, Ohio.

Zenobia Temple hosted the annual event, with over 400 musicians in attendance from 10 states and Canada.

The Zenobia musical unit scored 37 points out of a possible 40. Aina 324 and Hadi Shrine Temple of Evanston, Ill., 289 points.

Adding color and pageantry as well as their own brand of music to the Bands-of-the-Wahwah Festival Parade, the units were judged on both parade performance and on concert competition held in the Zenobia Auditorium during the afternoon.

At the awards banquet, Aina's director, Avery Sherman of Granite City, was presented a large trophy to add to the growing number of awards won by the Aina group.

The band returned to Granite City Sunday in time to perform at the Knights of Columbus Shrine dinner held at St.

## Campus crash

Drivers of two cars were injured in a collision at 7:45 a.m. Tuesday on the campus of SIUE, at Edwardsville.

Taken to Area Memorial Hospital was Lucetta Landers, Hartford, an SIUE employee, with extensive injury.

John T. Strickland, 20, Edwardsville, was treated at the University Health Service and then taken to Wood River Hospital.

Security officers said the drivers were alone in their cars. Both vehicles were damaged by the collision, described as "nearly head-on" at Circle Drive and Roman Road.

Your choice of  
in-dash AM/FM with  
8-track or cassette

for only \$99.95

At CMC, we like to make a special purchase which offers you good equipment at a low price. Here's two special purchases we're especially proud of...in-dash AM/FM with either 8-track or cassette.

Recently, we bought a special shipment of the 8-track... sold 2,000... and discovered just how good J.I.L. equipment really is. So we bought up the entire U.S. inventory of the 8-track and also made a special purchase of the cassette (which we usually sell for \$139.95)... So you can have your choice of either for \$99.95. This is what you would usually pay for just the stereo radio!

We've found that J.I.L. builds power and rugged performance into each system. "Road and Track" (Feb. 1974) raved about their superb AM/FM reception... and they were right. They both have an illuminated dial pointer (on FM stereo), are completely vibration-proof, and are powerful enough to drive any speaker on the market. The 8-track has a switch for program repeat, and the cassette features fast forward and a front panel eject button.

If you're unsure, our audio specialists can help you determine which system is best for you. And, if you like, CMC offers complete, professional installation (available until 9 p.m. weekdays and 6 p.m. Saturday).

## North High seniors honored at school's first recognition day

Granite City High School North's first annual senior recognition assembly spotlighted the accomplishments of many members of the 1974 graduating class.

Among those accorded honors for 1973-74 were Miss Toni Marie Simmers, valedictorian, and David Allen Heth, salutatorian.

She is the daughter of Mr. and Mrs. C. R. Simmers, 213 Lenox Ave., Mitchell, and he is the son of Mrs. Darlyne Heth and Charles Heth of Granite City. Miss Simmers and Heth also were designated as Representative Girl and Boy of GCHS North.

It was announced that Heth qualified for a \$1,000 anonymous scholarship, the mathematics award, a scholarship from the Granite City Scholarship Foundation and an Illinois Elks scholarship. Also receiving GC Scholarship Foundation awards were Carol Ross and Karen Cooper, the latter also being presented a scholarship from American Federation of Teachers Local 743.

National Merit Scholarship commendation for outstanding performance went to Otto Paul Seebold.

Seebold and Janet Morlen won American Legion awards, while Miss Morlen was presented the Daughters of the American Revolution award.

Other North High award recipients included Debra Mills, business education; James Edward Settle, science; Mickey Sealey, industrial arts; Keith Legate, vocational education; Diane Becherer, art department service.

Phillip Green, art scholastic award; Debra K. Feinberg, home economics; Donna Walton, John Philip Sousa band award; and Cynthia Niepert, social studies.

Donna Johannigmeier was presented an American Legion nursing scholarship and also an anonymous nursing scholarship. Carol Ross received an Illinois state scholarship as a January graduate.

Mardi Bunch was presented a Barnes Hospital scholarship, and a St. Louis College of Pharmacy faculty scholarship went to Jeff Luehmann.

Paul Cooke was the recipient of a merit scholarship from Westminster College, Fulton, Mo.

Also announced were the following English and speech department awards:

Book awards presented by the Bayview Reading Club, 1st place — Paul Steven Cooke, 2nd place — Kathryn Sue Stacey and 3rd place — Barbara Jean Verdu.

Reading Center certificates of appreciation — Gina Cox, Jeanne Huff, Ronald Martin and Brenda Mouser. Reading Center outstanding reading assistant pin — Gina Cox.

Quill and Scroll award — John Hursey.

Journalism award of honor — Cynthia Herman, Larry Arnold. Speech recognition award — Jacqui Elliff, Marilyn Hartbarger, John Hursey, Dave Lindsay, Joy Pope and Vicki Yodis.

Masque and Gavel award of honor — Marilyn Hartbarger and Vicki Yodis.

Special awards received by seniors through recommendation by teachers in the English and speech departments were:

Tuition scholarship to the summer 1974 workshop in media at St. Louis University — Larry Arnold.

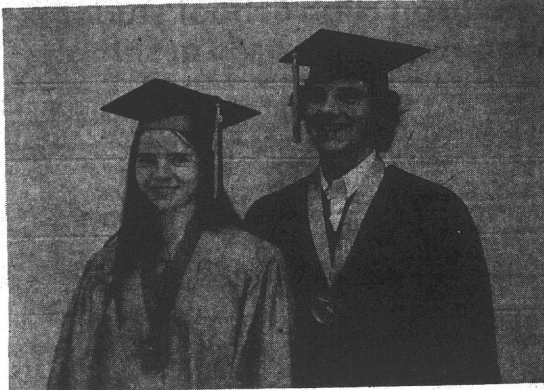

Poetry manuscript published in the anthology "Young America Sings" by the National High School Poetry Press of Los Angeles — Tony Bennett. And essay manuscripts published in "Young America Speaks" by the National High School Prose Press — Toni Simmers, Mardi Bunch, Paul Staydhar, David Heth, Mark Besta and Claudia King.

National Honor Society

members recognized were Elizabeth Ann Adams, Laverne Cheryl Budde, Mardi Lynn Bunch, Paul Steven Cooke, Karen Kay Cooper, Debra K. Feinberg, David Allen Heth, Elmer H. Humphrey, Connie Lou Jackson, Donna Marie Johannigmeier, Daryl Lee Kemper, Gerald Lynn Kemper, Julia E. Knight, Keith Eugene Legate, Elaine Leslye Lockhart, John David Luckert, Carla Fay Lupardus, Debra A. Mills, Janet Kay Morlen, Cynthia Ann Niepert, Albert Daniel Pelate, Otto Paul Seebold Jr., James Edward Settle Jr., Philip Keith Shands, Kande Kay Shemwell, Toni Marie Simmers, Paul A. Staydhar and Jeannie Annette Timmons.

Student Council senior representatives honored were Janet Morlen, president, and Cindy Arnold, Sue Irene Miller, Cindy Niepert, Gerry Sudholt, Diane Becherer, Toni Simmers, Vicki Yodis, Leo Martin and Robin Scarborough.

A bouquet of red roses was awarded to Janet Morlen as retiring student body president.

TOP SCHOLARS of Granite City High School North are Miss Toni Marie Simmers, valedictorian, and David Allen Heth, salutatorian.

## Future parole officer Papes has no mercy for tennis foes

Joe Papes may be only a junior, but he is the "old man" of the SIUE tennis team.

A native of Granite City,

### Art workshop

An art workshop for elementary classroom teachers and arts specialists will be held June 10-14 on the campus of Southern Illinois University at Edwardsville. The first meeting will be in the Communications Building theater.

Hours of the workshop are 8 a.m. to 5 p.m. Students can register for Art 408 or Theater 406 and qualify for four quarter-hours of college credit.

Those not attending SIUE must apply to the Admissions Office for credit.

Additional information on the workshop can be obtained from instructors Pat Goehle of the speech and theater department and Joe Weber of the art and design department; they will be conducting the sessions.

Papes was the oldest player in the team's starting lineup this season, the first year of intercollegiate varsity tennis at SIUE.

"Some of the younger guys on the team asked me for tips," Papes remarked. "Helping them out was one of the most enjoyable aspects of the season."

Papes isn't looked up to by teammates just because he is older. He also is regarded as an outstanding player.

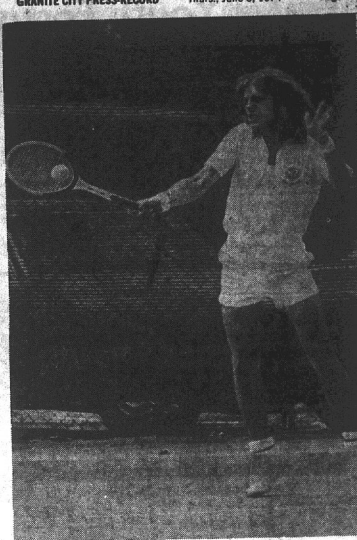

In singles competition, he compiled an 11-4 record. His performance was called a major factor in the Cougars' outstanding inaugural year of varsity tennis.

The Cougars wound up the season with a 13-4 dual match record.

The 6-3, 185-pounder has always been a top-notch player. Papes competed on the SIUE club team the past two years, and during a three-year career at Granite City High School, racked up a 41-3 record with his racket.

With a singles record like that, it's not surprising that he prefers singles over doubles. "I like to be on my own. When you play singles, you have to concentrate harder than in doubles, but it's your own game to win or lose. No one else can help you or hurt you," Papes said.

His ability in singles made him the No. 2 player in SIUE's singles lineup. In doubles, Papes teamed with one of the Cougars' number one singles

SMASH HIT on the tennis courts for SIUE this spring, Joe Papes of Granite City has another season of varsity eligibility in 1975.

player, Jim Johnson. The pair combined for an 8-4 doubles record.

Papes began playing tennis seriously as a sophomore in high school. Until then, baseball was his favorite sport, but he didn't see much future in it. "I got tired of sitting on the bench, so I decided baseball wasn't for me," Papes explained.

A human services major at SIUE, Papes hopes to go into social work as a probation or

parole officer. But after the successful season Papes enjoyed this spring, he's already looking forward to the 1975 campaign. "The four matches we lost were to some pretty tough teams, and none of those teams beat us badly," Papes said. "I think that with this season's experience under the belts of our younger players, we could possibly beat all four next year. In all, I'm really looking forward to next season."

### Lead role by Erie Mills

Erie Mills of Granite City appeared in the lead role of Gilbert and Sullivan's "Patience" May 20-June 1 at The College of Wooster in Wooster, Ohio. The Little Theater production concluded a quarter of active theater work for her.

She had completed a lead role in "Butterflies are Free" the previous week.

A junior music major at The College of Wooster, Miss Mills hopes to be a professional singer after graduation. She has

appeared in numerous Little Theater productions at Wooster as well as music programs and recitals.

In "Patience," she played the part of a milkmaid whose love is avidly and comically sought by two would-be poets.

It was the second opera in which she has appeared at Wooster. Last spring, she appeared in a production of "Dido and Aeneas."

She is the daughter of Mrs. Joseph Mills, 2104 Cottage Ave.

## Madison High School students honored at awards assembly

Scholastic and achievement awards were presented to Madison High School students last week during an Annual Awards Day program in the high school auditorium. Most of the awards were in gifts, grants and letters of recognition.

The 9th annual award to the young man who has demonstrated outstanding achievements in academics, leadership, and citizenship, presented by the St. Louis Chapter of the United States Army, was awarded to Osbert Lomax.

Yearbook awards were presented seniors: Helen Zelenka, Henrietta Whitner, Mary Macko, Yana Hamilton, Karen Lassen, Ronald Glasper, Donna Holt, Debbie Krpan, Janice Mueller, Debra Ratliff and Cindy Coghlan.

Honorary awards went to Jeanie Paskus and Gail Warden for work that they did for members of the editorial staff.

Short-hand II Honorary Award for successful completion of 140 words per minute was awarded to: Diane Davis.

Top honorary awards on the calculator in Office Practice were presented to Kelly Dutko, Diane Davis, Roberta Hall, and top honorary awards on the machine transcriber in Office Practice went to Diane Davis, Kelly Dutko and Joseph Garcia.

Top honorary awards in Office Practice were presented to Roberta Hall, Jeanie Paskus, Joseph Garcia, Susan Krawiecki, Shirley Morris, Christi Skelly.

Short-hand I honorary awards for 120 words per minute were awarded to Joanne Malone, Janice Mueller, Debra Ratliff, Linda Glasper, Maggie York; 100 words per minute: Donna Miller, Romanita King, Darlene Goskie; 80 words per minute: Peggy Stagner, Cheryl Cawley, Toni Cromer, Linda Gilliam, Shirley Morris, Sue Thompson, Terri Taylor.

Recognition pins were given to the following Senior Band members: Donna Holt (president), Cindy Coghlan (vice president), Peggy Stagner (secretary), Karen Lassen, Lori Urstie, Randy Steele, Jeff Urstie, Roberta Hall, Dolores Pinkley.

Peter Lecko was selected as the junior band student to attend a special music camp at Southern Illinois University at Carbondale. The award is sponsored by the Madison

Minerva Reading Club.

The Danforth Award presented to male and female seniors who have demonstrated outstanding qualities of leadership and for personal development, good character, mental and social character, was presented to Osbert Lomax and Helen Zelenka.

Special recognition to seniors in the National Honor Society was presented to Helen Zelenka, Cindy Coghlan, Janice Mueller, Ted Adams, Roberta Hall and Theresa Saksa. New Honor Society officers for the 1974-75 year are Mary Mueller, president; Joan Hollenbeck, vice-president; Willminia Kero, secretary, and Charlene Kero, treasurer.

Seniors receiving recognition pins from the Student Council were Peggy Stagner, Mary Macko, Delish Sanders, Cindy Coghlan, Janice Mueller, Valerie Freeman and Debi Krpan.

Leroy Booker and Mike Walker were chosen to attend Boys' State, sponsored by Henry Mitchell American Legion Post 799, and Joan Hollenbeck and Willminia Kero were chosen to attend Girls' State. The 1973-74 State Scholars are John Gorka, Helen Zelenka, Janice Mueller and Ted Adams.

The five-year Co-op program of Granite City Steel, valued at \$13,000, was awarded to Osbert Lomax and the Shell Oil Co. Co-op award went to Cindy Coghlan, in which she will work for the company and make a minimum of \$12,000 over the five-year period.

Band pins were awarded to Donna Holt, Cindy Coghlan, Peggy Stagner, Kelly Dutko, Karen Lassen, Lori Urstie, Randy Steele, Jeff Urstie, Roberta Hall and Dolores Pinkley.

### Study casting

Wax Works-74, a casting workshop, will be held June 10-13 at SIUE.

Will Freund, associate professor of art and design, will be in charge of the workshop, "devoted to an intensive study of centrifugal, vacuum and sand casting related to jewelry and small sculpture."

The workshop, which students can earn three quarter-hours of credit, will be held from 7:30 a.m. to 4:20 p.m. in the Wagner complex of Troy Road (Route 150).

MADISON HIGH AWARDS were presented last week. From left, Osbert Lomax and Helen Zelenka who received the Danforth Award as outstanding seniors; Cindy Coghlan who received the Bausch and Lomb Honorary Science Award, and Ronald Glasper who was presented the Scholar Athlete Award.

## Honor Cassens, Lockard at SIUE commencement

Two longtime benefactors of Southern Illinois University at Edwardsville will receive the university's Distinguished Service Award at commencement exercises Saturday. The awards will be presented to Albert Cassens of Edwardsville and Melvin C. Lockard of Mattoon.

Dr. John S. Rendleman, president of SIUE, will present the awards during ceremonies at the outdoor performing arts facility on the campus beginning at 8:30 a.m.

Cassens, a native of Hamel, is president of Cassens Transport Co. and an executive in other area businesses owned by the Cassens family. He and his late brother, Arnold, were strong supporters of the public campaign to establish SIUE.

As a founding member of the board of directors of the Mississippi River Festival, Cassens has helped the university develop a major cultural and entertainment program on the campus.

"Albert Cassens' quiet but vigorous behind-the-scenes support of civic improvement, education and cultural enrichment of this area identify him as a truly outstanding citizen of southwestern Illinois," Dr. Rendleman said in announcing the award.

Lockard, a native of Union County, served for 18 years as a member and secretary of the SIUE Board of Trustees and as a director of the SIUE Foundation.

He was a leader in the move to establish the local university, which has become an autonomous campus in the SIUE system. From 1962 to 1971 he served as SIUE's representative on the Illinois Board of Higher Education.

He is chairman of the board and president of the First National Bank of Mattoon. From 1937 to 1958 he was chief executive officer of the First National Bank of Cobden.

Lockard has served as vice president and a member of the executive committee of the American Bankers Association and is a past president of the Illinois Bankers Association. In 1943 he helped start the Illinois Bankers School at SIUE at Carbondale.

ALBERT CASSENS

MELVIN LOCKARD

Melvin Lockard made unique contributions to the establishment and growth of this campus. His work on the board of trustees is a highlight of his lifetime dedication to the public good," Dr. Rendleman said.

AMERICAN LEGION AWARD winners at St. Margaret Mary School, 1940 St. Clair Ave., are Kathleen Bailey, daughter of Mr. and Mrs. Hilliard Bailey, 3256 Carlson Ave., and David Klarich, son of Mr. and Mrs. Albert Klarich, 20 Devon Hill Lane. The presentations were made by the Rev. Edward Grossch at a banquet honoring the graduates and their parents last week.

**CONFIRMED IN SERVICES** at St. Peter Evangelical United Church of Christ, 21st Street and Cleveland Boulevard, were 11 young people who received their first communion this week at the church. First row, from left to right—Doug Teaney, Ann

Morgan, Candice Werths, Maryellen Knobloch and Kirk Arbogast. Second row, from left—Bert Houston, Stewart Kinney, Larry Houston, the Rev. Robert L. Kettelhut, pastor; Norman Mangoff, Bruce Wright and George Grove.

## 11 confirmed at St. Peter

The 1974 confirmation class of St. Peter Evangelical United Church of Christ received its first communion this week during the Pentecost Sunday worship services at the church.

Class members were confirmed the previous week in special ceremonies. Bruce Wright Sr., church president, presented the group to the

congregation.

The new confirmands are George Grove, Bruce Wright, Norman Mangoff, Larry Houston, Stewart Kinney, Kirk Arbogast, Maryellen Knobloch, Candice Werths, Ann Morgan, Doug Teaney and Bert Houston.

Bruce Wright Jr., the elected class representative, presented

a gift from the group to the church—a modern wrought-iron wall hanging of the Lord's Supper. The gift will be displayed in the sacristy.

Confirmation certificates and memory verses were given the 11 young people by the Rev. Robert L. Kettelhut, pastor of St. Peter's.

This week's ceremonies marked the completion of a year of study with Pastor Kettelhut, which included several field trips to institutions of the church in the surrounding area.

Each class member also submitted an essay, with the results presented to the church council, elders and parents at a reception in late May.

## Julie Simon marks second birthday

## 'Badlands' not bad

By GENTRY TROTTER  
for Channel 4

How easy is it for a boy to meet a girl? Not always a simple love affair. Warner Brothers' "Badlands," starring Martin Sheen, is an unexpected ultimate dip into never-ending nightmarish. The kind which is so land is "Spikes Gang." I give it a night-paced it gives you time to two fairs for a fair effort.

With all of the talented minds floating around in movieland, due, because this PG-rated flick wouldn't it be nice for the throbs and sways in a non-motion picture people to chait way, and it really has discontinue their stereotyping some catchy music, fabulous of ethnic groups?

It was great of them to take the blacks out of the kitchen from maids and butlers; but on fairy-tale theme, you can bet the streets as drug pushers, your bottom dollar that ladies of pleasure and stealer "Badlands" is a movie with massive pluses. My rating is three fairs for good.

Some of the most famous cowboys probably would roll over in their graves if they saw at least one frame of Columbia Pictures' highly insulting flick, "Thomazine and Bushrod." Max Julien and Vonette McGee, the king and queen of trashy exploitation films, are their time knocking people off found continually at the craft of incapable acting.

This PG-rated number has some humor, but it is dominated with goof-balls and a disgraceful story. My rating is "Poor."

Do you remember the old saying, "Train up a child in the way he should go?" Well, some people like to stray away from their upbringing and emulate such greats as Superman, Tarzan and even Raquel Welch.

**Wall-shaking ALTEC 872B speakers**

Nearly half of all U.S. recording studios monitor their sessions through Altec speakers because of their outstanding reproduction. The 872B's 2-way speaker system utilizes a 15" B-flex speaker with a 10-1/2 lb. magnet and a high frequency driver with a response beyond 20,000 Hz. Pioneer, the most popular name in receivers, made the SX-626 with plenty of power (54 watts RMS at 8 ohms) to drive the Altec. It also features a frequency response usually found only in the most expensive receivers. PE, although relatively unknown in this country until recently, has for years been one of the leading makers of quality automatic turntables in the world. Their 3012 features a low-mass central balanced tonearm capable of tracking at a shade above 1 gram, and is an ideal match for the excellent ADC 250 XE.

## 115 graduate from Madison High

Graduating seniors totaling 115 were honored last night at the 1974 commencement exercises of Madison Senior High School.

The program took place in the MHS gymnasium, with diplomas awarded by Chester L. McManaway, president of the Board of Education.

Supt. John L. Palchiff spoke and Principal Richard L. Brown presented the class.

Dr. Thomas P. Layloff Jr., a graduate of Madison High School, delivered the commencement address, "A 20-Year Perspective." He is professor of chemistry at St. Louis University.

A welcome was voiced by Osbert Leonardo Lomax, 1974 class president.

A woodwind choir played Beethoven's Sonata Opus 10, No. 2. Participating were Cynthia Jane Coghlan, Kelly Ann Dutko, Donna Holt, Karen Lassen, Dolores Kay Pinkley, Peggy Marie Stagner and Lori Ann Ucielo.

Martha Ferris sang "Put Your Hand in the Hand," with Mrs. Valerie Stevens as accompanist.

The seniors took part in a processional and recessional, and prayers were offered by the Rev. Sylvester Mick and the Rev. Jerome Jackson.

## Scholarship to Griffith

Douglas Griffith, son of Mr. and Mrs. Gerald Griffith, 2824 Grand Ave., has been awarded a Founders Scholarship by Culver-Stockton College, Canton, Mo., for the 1974-75 academic year.

Founders Scholarships are granted to students whose high school accumulative grade point averages are at least 3.35 on a 4.0 scale, who are in the upper 10 per cent of their class, who have a satisfactory test score on the College Entrance Examination Board or American College Testing Service examinations, and who have good activity records.

Griffith is a graduating senior at Granite City South High School, where he has been a

member of the football team, Honor Society and the Letterman's Club. Culver-Stockton College is a four-year, private, liberal arts school of 650 students and offers degrees in more than 40 fields of study. The college is affiliated with the Christian Church (Disciples of Christ).

## LOOT REALTY COMPANY

Five \$20 bills were stolen from a bank bag in a desk drawer at Marcus Realty Co., 1906 State St., when a secretary stepped out of the room for a few minutes at 12:20 p.m. Monday. When she returned, all of the desk drawers were open and the money had been taken.

## Proficiency exams in nursing

Proficiency examinations in nursing, which will allow licensed practical and registered nurses to earn credit toward an associate or baccalaureate degree for previous education and experience will be given for the first time in Illinois, according to Dean Barringer, director of the state Department of Registration and Education.

A contractual agreement between the state Department of Education and Registration, the University of New York and the Illinois Implementation Commission on Nursing (IICON) has made possible the administration of the New York College Proficiency Examination in Nursing (CPE).

Exams in Fundamentals of Nursing and Maternal and Child Nursing are designed to facilitate the advancement of LPN's for obtaining an associate degree in nursing. The three baccalaureate level tests to aid in advancing RN's are Medical-Surgical Nursing, Psychiatric-Mental Health Nursing and Maternal-Child Nursing.

Barringer warned candidates to check requirements of schools they plan to attend, prior to taking the CPE, as standards for granting credit differ among institutions. Scores from the CPE are applicable for five years and will be mailed to institutions of the nurses' choice.

The CPE's will be given at the University of Illinois Chicago Campus, Southern Illinois University at Edwardsville and Northern Illinois University in DeKalb. Dr. Norman Gilbert, director of Testing Services at Northern, will coordinate for the three universities.

The examinations will be given Aug. 8 and 9. Applications may be obtained from the three universities. The exams will be given again in November, February and May.

Barringer said, "Advancement opportunity for nurses is a part of the priority Gov. Dan Walker has given to progress in health services in Illinois. Since IICON promoted the idea of the CPE, we in the Department of Registration and Education have lent our support."

Further information may be obtained by writing Mrs. Kathryn E. Bailey, IICON, 6 N. Michigan Ave., Suite 1219, Chicago, 60602.

## Peril in inflation pattern

By ARCH BOOTH  
President,

U.S. Chamber of Commerce  
The pay and pension benefits of about 30 million Americans are now pegged to the Consumer Price Index (CPI).

In other words, when prices go up there is automatically a corresponding increase in income for these people.

Quite understandably, many Americans who do not now benefit from this inflation shield would like to avail themselves of it. Many will succeed—especially those close-knit groups with a great deal of power over the market, such as labor unions.

So far this all sounds good but it can be social dynamite.

Suppose inflation continues at something like the present rate. And suppose that more and more categories of income recipients are "protected" through paychecks tied to the CPI.

Those who believe themselves protected would be tempted to demand government action to halt inflation. Inflation would probably increase, striking still harder at the people who remained unprotected.

In that event, we would soon reach a situation where large groups of unprotected Americans were being reduced from prosperity to poverty and from poverty to starvation or worse.

It is a vision of rapid and arbitrary income redistribution. Not the "have-nots" taking from the "haves."

but rather some groups gaining and others losing at all points on the income scale.

Long before things reached such an extreme, however, pressure from the losers would force the government to do something. But what?

The winners—the people with some measure of protection—probably wouldn't sit still and let drastic measures to halt inflation.

The easy way out for a politician in such a fix would be to extend automatic inflation compensation to all wages and salaries.

Of course, businesses would have to raise prices enough to cover the higher payroll costs. And the higher prices would trigger another round of raises. And the raises would lead to higher prices, etc.

Obviously, avoiding this vicious circle would require rigid wage-price controls. We tried that, didn't we? And they didn't work, either.

The idea of tying practically everything to the CPI—called "indexing" or "indexation"—is credited to Brazil, where such a system is actually in use.

It is attracting attention around the world from governments looking desperately for some way to beat inflation other than living within their means.

Whether or not it works even in Brazil is a subject of hot controversy among economists.

But in either case, the point remains that Brazil is a military dictatorship which is able to make some things work (or appear to work) by brute force in a manner that Americans would not accept.

Another evaluation of the Brazilian experience is that it has had the net effect of shifting income away from the wage earner and toward the owner of capital.

Now, a strong argument can be made for such a policy here in the U.S., since we appear to be living off of our capital at the moment. However, I would not

expect this argument to be very popular with economic liberals.

The hard truth is that economists know only one sure cure for inflation: Move toward a balanced federal budget by restraining all possible federal spending, and continue to restrict the growth of the money supply—measures which may risk an economic slowdown.

But right now, we are a nation of people casting about for some reason to avoid going to the doctor.

The Germans tried a crude form of indexation to cope with their ruinous inflation of the early 1920s.

Things came to the point there where workers were being paid several times a day to their wives, waiting at the factory gates, could take the money and make purchases with it before it became worthless.

In 1920, the German price index was 14 times higher than it had been in 1914. In late 1922, it was 1,500 times higher. In late 1923—just before the final collapse—German prices were more than one trillion times the 1914 average.

Once, not so long ago, I would have said it can't happen here. Now—if we don't stop trying to find ways to "live with" inflation—I'm not so sure.

## Legislative power shifting back to Senate Republicans

By KEN WATSON  
Press-Record

Republican power in the Illinois legislature appears to be shifting back to its traditional base—the Senate.

With the exception of the 1971 election, Republicans have held majority control of the Illinois Senate since 1941, usually by substantial margins.

Now—if we don't stop trying to find ways to "live with" inflation—I'm not so sure.

With firm, rarely interrupted control, the GOP leaders have over the years wielded an influence in the legislature and government rarely matched by any legislative body.

During the 1960s, former Senate President and Majority Leader W. Russell Arrington, of Evanston, through his strong leadership of the GOP majority, exercised almost as much power in the conduct of state affairs as did Gov. Otto Kerner, a Democrat.

On major legislation and policy, the Senate had virtual veto power over any executive proposal.

In recent years, the power of

Senate Republicans has eroded, due largely to two developments.

One is the decline from the old lopsided margins in the senate to a virtual stand-off with the Democrats, the Republicans holding a one-vote edge in the current Senate.

Another factor is the emergence of one of the strongest Republican House leaders in 30 years, House Speaker W. Robert Blair of Park Forest.

At the Statehouse, Blair is rated among veteran legislative observers as perhaps the most powerful GOP speaker since Chicagoan Elmer J. Schnackenberg held the post in the early 1940s.

Lacking any strong margin in House votes—the GOP currently holds, as in the Senate, a one-vote margin over the Democrats—Blair has built up his power through his colorful and forceful personality.

He also has developed skill in public relations in attracting the publicity spotlight. Blair is by far the best known of the legislative leaders of either party.

But there are increasing signs at the Statehouse that Blair's star is fading and that Senate Republicans are moving quickly to regain the old dominance.

There are two chief factors in Blair's decline.

The most immediate and obvious is his shifting stand on the Regional Transit Authority (RTA) issue.

He was one of the architects of the plan for a new Chicago-area mass transportation system, but switched sides after his district voters balloted heavily against the proposal in the March referendum.

Many Republican as well as Democratic legislators are irritated by Blair's revival of the issue at the current session. They complain this introduction of legislation to virtually abolish RTA is taking up too much time and preventing the legislature from taking up other matters, especially budget measures.

There also are increasing complaints beneath the

Statehouse Dome that Blair is using the House Speaker's post to promote his ambitions for the nomination and elected governor in 1976.

All this has brought respected and popular Senate President and Majority Leader William C. Harris of Pontiac into new influence.

Not only has Harris publicly criticized the time being spent on the RTA legislation, but he has been privately demanding and receiving a bigger say in overall GOP legislative policy.

Regarded as significant is the fact that Harris is a co-sponsor of a new campaign disclosure bill, which replaces an individual one introduced by Blair earlier in the session.

The message is clear. The Senate wants—and will get—equal billing with the House and Blair.

As the session moves along in its critical final month, the Springfield spotlight is not on Blair alone. He will be sharing it, as well as legislative power, with Bill Harris.

## Nameoki Church to remodel

The Nameoki United Presbyterian Church, 1700 Portman Road, celebrated the beginning of its silver-anniversary remodeling program last week with the successful conclusion of a \$46,000 financial drive led by Al Bagg.

Bids for complete renovation of the church interior will be awarded July 1, according to the remodeling committee chairman, Allen Cox.

"A functional and attractive interior with an 'inviting atmosphere' will include facilities for worship and Christian education as well as for fellowship to serve the growing congregation.

Unique plans were designed and coordinated by the firm of Westberg & Klaus of Minneapolis, Minn., Cox said.

The program began with dedication of a new church steeple and carillon given in memory of George W. Stearns by his widow. The carillon was designed and installed by the T. Verdin Co. of Cincinnati, Ohio, a leader in the bell industry for over 100 years.

The carillon is presently programmed to chime the hours beginning at 8 a.m. and ending at 9 p.m. Carillon hymns also are heard from the church at regular times throughout the day.

A homecoming picnic following the dedication service was led by Ed Rowen and Rich Thomas. Friends and members enjoyed an afternoon of informal games, the pastor, Rev. Don F. Pierson, reported.

A 50 minute family worship service during the summer months will begin at 10:45 a.m. each Sunday.

## Aeronautics board proposes new rules

The Illinois Aeronautics Board has announced a special meeting Thursday, June 13, in Springfield to consider new rules and regulations for Illinois air carriers.

The meeting, at which any interested persons are invited to appear, will be held in Conference Room One, New State Office Building, Springfield.

Those wishing to appear are asked to notify the board of their intentions.

Copies of the proposed rules and regulations which have been developed by the board can be obtained on request, either in person or by mail or phone, at the office of the board, P.O. Box 218, Capital Airport, Springfield, Ill., 62705. Phone: 217-782-7900.

Any interested persons are also invited to submit written comments, views, data and

suggestions. All written documents, which should be submitted in duplicate and received on or before June 13, will be considered by the board.

The new rules and regulations will apply to air carriers operating within Illinois. Included will be certification of each air carrier, financial reports, equipment registration, flight safety, insurance requirements and rate regulations.

The five-member Illinois Aeronautics Board was appointed by Governor Dan Walker in accordance with the new Illinois Air Carrier Act which went into effect Jan. 1, 1974. The board has regulatory powers over all scheduled and chartered air carriers operating within the state.

## Here are dozens of ways people can conserve energy.

## Here's one way energy can conserve people

We've published many pamphlets on the conservation of energy. We would like to remind you that the wise use of energy can also conserve people. Lighting is a good example.

Good lighting in and around your home is not a frill but a necessity. Properly illuminated walks, drives and yards prevent accidents. And outdoor lighting is also one of the best deterrents to burglars and vandals.

With medical costs soaring, property values increasing and crime rates steadily rising, we suggest that you look into Illinois Power's program for the rental of an outdoor Security Nite Lite for your home, farm or business. The monthly cost is modest, and the light makes efficient use of "off-peak" energy.

All in all, a Nite Lite is one of the wisest ways you can use energy. Ask at our office for details.

Miss Sharon Rose, 46 Cambridge Drive, received a Hermann F. Spoehrer-Junior Achievement scholarship grant at the 1974 JA Future Unlimited banquet in late May. Only 16 Achievers in the Mississippi Valley area received Spoehrer awards, named after the longtime JA board chairman. Sharon is the daughter of Dr.

and Mrs. Benjamin T. Rose and is a senior at Granite City High School North. She was a member of the Rocky's JA company, counseled by Granite City Steel; the JA firm met weekly at the JA Business Center, 3307 Wabash Ave. Four Achiever-run companies which met weekly at the

Granite City Center received industry awards at the Future Unlimited banquet. JACO II, counseled by American Steel Foundries, was selected as the top company in the Granite City Center. HIDESEIDE, counseled by Illinois Power Co., won honors as the most improved JA company.

A first place in metal was won by JACO, counseled by A. O. Smith Corp. And first place in steel went to B.Q. SMOCKERS, advised by businessmen and women from Granite City Steel. Junior Achievement of Mississippi Valley was named the No. 1 JA program in the nation for the second consecutive year.

This year, as members of JA, 7,700 high school students from the Mississippi Valley area learned about business by operating 275 miniature corporations. Achievers manufactured and sold \$215,000 worth of their company products.

## Head-on crash

Four persons were injured in a two-car head-on crash on Route 203 at Harrison Street near Eagle Park Acres during the weekend. Hurt were the drivers, Paul Porter, 36, of 207 Allen St., Eagle Park, and Tommy Harvey, 28, East St. Louis. Two passengers in Harvey's auto also were hurt.

The injured were taken to St. Elizabeth Hospital where Porter was admitted with cuts to the top of his head and an injury to his left shoulder. Harvey was treated for a hematoma to the forehead and a cut to his right hand. X-rays were taken and he was released.

Passengers were Miss Doris Carter, 32, East St. Louis, who was admitted with a bruise to the forehead and a cut to her left shoulder, and Reginald Carter, 12, East St. Louis, admitted with bruises to his left lower leg, face and head.

## Costs slow highway bidding

"The state's highway improvement and extension program is in more trouble than is generally believed or anticipated," a spokesman for the Associated General Contractors of Illinois said during the weekend. "The latest letting of bids by the state of Illinois points to an alarming disinterest in state work by highway and bridge contractors, due to the tremendous escalation in labor and material costs," he commented.

"The usual race to bid for state highway construction work has slowed immensely and may come to a grinding halt soon, if no solution is found."

"On a total of 103 construction jobs announced by the state, more than 50 per cent received bids by only one contractor, and nine jobs received no bids at all. "This is an alarming sign, when as many as five and eight contractors used to actively bid for jobs of this type," the AGCI told the Press-Record. "Contractors are now scared, and there is an indication of panic as uncontrolled, spiraling material costs make it virtually impossible to prepare a sound bid."

"Most of them cannot afford to gamble on a job which takes two years to build, when they are not sure of what will happen within the next few months."

"Within the past year, the cost of basic raw materials, such as steel, concrete and asphalt, rose anywhere from 26 per cent to 152 per cent."

The biggest cost jumps have been in petroleum-based materials, including diesel fuel and asphalt products.

"Since May of last year, the cost of diesel fuel has risen 148 per cent, and the cost of asphalt has increased 152 per cent," the spokesman said.

"Some bankers, and there are more each year, hesitate to extend credit to the construction industry because of the high degree of inherent risks."

Frederick R. Hansen, a senior official with the First National Bank of Chicago, who has been dealing with the construction industry for many years, said last week, "I believe a contractor takes enough risks with the weather and labor and shouldn't have to be concerned about the risk of losing money on a project due to the materials required for the job."

He stressed that road contractors' return on the average is less than 3.4 per cent pre-tax, a low return on their investment, especially when high risk is considered.

Hansen said many contractors involved in state work are facing financial distress and added, "If nothing is done to help the industry, many will be financially strained to stay in business another year."

He added that "with inflation and unknown factors, plus high labor costs, it is difficult for a contractor to determine an adequate bid."

A poll of the Associated General Contractors of Illinois has revealed that fixed-price contract agreements for state road projects have cost them more than \$17,000,000 in actual losses since last December, according to AGCI president Paul A. Lambrecht of Joliet.

Lambrecht said that the construction business is the second largest industry in Illinois, and that loss of thousands of jobs in construction potentially could cause economic chaos within the state. He continued: "The highway construction industry now finds it necessary to actively seek the adoption of escalation clauses in contracts with the state to continue the rehabilitation of the Illinois highway system, which is vital to the state's economy."

"The states of Oregon and Washington have already adopted material cost price adjustment laws, while in Florida, New York and Pennsylvania proposals are in legislation."

"Nine other states have material costs escalation clauses under consideration. "The Illinois highway construction industry welcomed the recent formation of a five-member public committee to study the problems of escalation affecting highway construction programs."

"It is an indication to contractors that state officials are aware of the plight of the industry, and it seems a giant step in the right direction."

## Motorcycle is hit by train, two injured

A Granite City couple was injured when a motorcycle was struck by a Norfolk and Western Railroad train on Poag Road near Mitchell Monday.

Hurt were the driver, Gregory Penrod, 20, of 2163 Orville Ave., and his wife, Mrs. Paula Penrod, 17.

The engineer of the train said the motorcycleists attempted to cross in front of the southbound train and the engine struck near the rear of the cycle.

The couple was taken by ambulance to St. Elizabeth Hospital.

Penrod was admitted with abrasions and cuts to his left elbow and left forearm and abrasions to his left fibula and left knee. X-rays were taken.

Mrs. Penrod was examined here and was transferred to Firlin Desloge Hospital, St. Louis, where she was admitted to the intensive care unit in serious condition. She suffered multiple cuts, abrasions and contusions to much of her body.

## Price foresees a weapon worse than nuclear bomb

In the commencement address at Wolf Branch School District graduation exercises in Belleville during the weekend, Congressman Melvin Price told the graduates that they are the first of a new generation which "will face challenges undreamed of today."

Rep. Price spoke of problems that await the eighth graders when their generation "takes over the reins of national leadership in the 1980s and 1990s."

"It may seem early to ponder such things," he said, but he noted that the graduates need to "cultivate an ability to perceive and deal with problems before they become crises."

"I know that members of my generation look back on situations we faced and wish we had anticipated them and worked on them sooner."

Rep. Price said the upcoming generation may have to deal with "weapons even more terrible than nuclear bombs" and "see that no nation ever has the chance to use them against another."

The local congressman said the growing population could create "serious dilemmas" in "providing housing, transportation and food for everyone."

"Uncontrolled use of precious resources must give way to more efficient use of them," he warned. "We must continue to work toward achieving a balanced energy system."

These problems, "mark our changing society," said the congressman, "where a host of challenges demand that we look at the fact that we all live on one planet whose destiny is in our hands."

Rep. Price said the eighth graders are the first Americans born after President Kennedy took office, and for this reason he sees them as a new generation.

He said a future President will call them, as President Kennedy did for his generation, to rise to meet the challenges of the 1980s and 1990s.

Rep. Price, chairman of the Joint Committee on Atomic Energy, has announced selection of a special panel to study transportation of nuclear materials from the standpoints of nuclear health and safety and the safeguarding of special nuclear material.

The panel will investigate shipment of radioisotopes, enriched uranium and related activities. It will report to the Joint Committee its findings and recommendations.

The panel will be chaired by John T. Conway, executive assistant to the chairman of the board of Consolidated Edison Co.

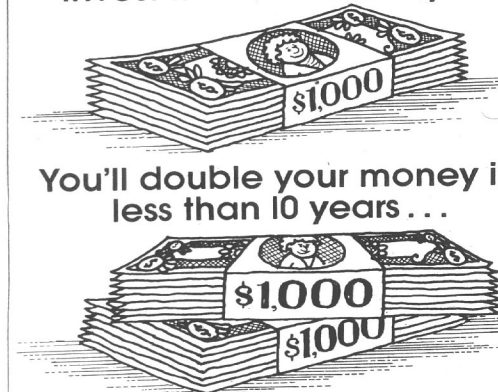

Price said the panel is made up of "individuals highly knowledgeable in the various fields involved in handling of nuclear materials," and publicly thanked them for taking on the task.

The congressman said he has asked the panel to aim to complete its review in two or three months in order that any unsatisfactory conditions which may be found to exist can be quickly corrected.

Rep. Price announced that the U. S. Office of Education has made several grants to school districts under Public Law 874. The law provides that schools in federally affected areas may receive financial assistance from the federal government.

The school districts and awards include the Venice district, \$5,885 tentative entitlement for the 1973-74 fiscal year, with \$4,188 certified for immediate payment.

## Downstate unwilling to give up Howlett to Chicago mayor post

Despite growing speculation in Chicago, it is considered unlikely in Springfield that Secretary of State Michael J. Howlett will run for mayor of Chicago next year.

A political writer in a Chicago newspaper wrote that ailing Mayor Richard J. Daley, 72, personally favors Howlett as his successor. If Daley himself cannot make the race in 1975, publicly, Howlett has said he is optimistic about the mayor's health and feels that a fast recovery will put him in the field for a sixth successive term. But reports from Chicago persist in predicting an early end to the Daley dynasty.

Tempting as must be the prospect of being mayor of the nation's third largest city, Howlett, 59, is shying away from the opportunity for a number of reasons, about all

them political.

First, if he ran for mayor he would be under irresistible pressure to resign as secretary of state with two years to go in his present term.

At the Statehouse it is virtually taken for granted by Republicans as well Democrats that Howlett can be re-elected secretary of state as long as he desires. Winning election as mayor of Chicago would have to be rated as doubtful.

Secondly, resigning as secretary of state would mean turning over that politically powerful office with 3,600 jobs, most of them patronage, to Gov. Daniel Walker, who would appoint the new secretary.

Relations between Howlett and Walker have been deteriorating steadily and at the Capitol Howlett is recognized as being in alliance with Lt. Gov.

Neil Hartigan and Daley Democrats in opposition to the Walker Democratic faction.

Concern is being expressed by anti-Walker Downstate Democrats about any Howlett mayoralty move that would forfeit to Walker the additional political power of the secretary of state's office.

Thirdly, and probably most important of all, running for mayor of Chicago would erode and possibly destroy the immense statewide popularity which Howlett has built over the years with hundreds of speaking appearances throughout Illinois.

If Howlett ran for mayor and lost, he might have great difficulty in again selling himself as candidate for statewide office.

Although he frequently brushes aside with his well-known lively wit the suggestion that he might like a shot at the governorship in 1976, those close to him believe Howlett would jump at the chance if the prospects looked encouraging.

There is little doubt that Howlett would much more prefer being governor than mayor of Chicago. If Mike Howlett does make a big political gamble, it will not be for mayor of Chicago in 1976, but for governor of Illinois in 1976, it is being contended.

## New enlistment options in Illinois National Guard

By MARY LOU MANNING  
Press-Record  
Springfield Bureau

The U. S. Army, like time, marches on.

A few years ago, facing the possibility of a "draftless" country, the Army began experimenting with different incentives for joining its ranks. One of the results of that venture is now in effect in the Illinois Army National Guard.

It consists of new enlistment options called the "3x3" and "4x4" plans.

The first option allows any man or woman, with no prior service, to join the Guard for a three-year obligation of drill participation followed by a three-year period of inactive duty, according to Major Carl O. Johnson of the ING.

The second option calls for four years of drill participation and two years of inactive duty. All this means is that after the guardsman completes his designated time actively participating in weekend drills and annual summer camps, plus the initial active duty training period, he is placed in an inactive, ready-reserve unit.

During this later period, he will not participate in the drills and, generally, will not attend the summer camps.

However, he would be subject to call-up for active duty if it is deemed necessary.

"Prior to adoption of this new policy, the tour of duty was six years of drill participation," explained Major Johnson of the

139th Public Information Detachment. "The new enlistment options are now in effect."

In addition, the Illinois Air National Guard has adopted the "4x4" option for "certain hard skill career fields."

The only qualifications for the new program are that the enlistee have no prior service and score adequately in a series of psychological tests administered by the ING.

"The options have been given to all the states," the major related. "It is up to each one to determine whether or not they will adopt them."

About a year ago, the plan was used on an experimental basis in other selected states. At the present time, two other proposals are under active consideration, according to Major Johnson. They involve shorter periods of initial active duty for training, and interest-free advances on future earnings for enlistees.

The Illinois National Guard, which includes both Army and Air Force units, is 13,000 members strong.

## Hope for 2,200 jobs in coal gasification

Development news in Madison, St. Clair and Monroe Counties, reviewed by the Illinois Metro-East industrial development corporation:

Plans to develop three new coal mines and a coal gasification plant on lands in Madison, Bond and Clinton Counties have been revealed by Columbia Coal Gasification Corp.

Columbia indicated that such development will not likely occur before 1980 or until such time as the gasification process proves economically feasible. If developed, the mines and plant will employ 2,200 persons and will result in an investment of over \$700 million.

Apex Oil Co., with a facility at the Tri-City Regional Port, has announced plans to construct three additional liquid storage tanks at the port site. The firm recently completed construction of two 6,000-gallon fuel oil storage tanks plus new boiler and office buildings.

The Illinois Department of Conservation is planning to purchase state of 400 acres adjacent to Cahokia Mounds State Park. Purchases of the Rattlesnake Mound group and the Kunemann group are expected to be completed within the next 13 months.

The purchase is considered essential by state officials to preserve the archaeological history of the Mounds.

Continental Oil Co. has begun construction of a 10,000-square-foot distribution service facility in Wood River.

When completed, the new operation will permit expanded distribution of the firm's line of lubricating oils in the St. Louis area. Construction is expected to be completed by early summer.

A bill to permit replacement of the East Side Levee and Sanitary District was recommended for passage by a House committee. The bill would allow voters to petition for a referendum to replace the present district with a different system. The bill now moves to the Illinois House floor.

Plans for development of a proposed 152-acre Westpark Centre at Columbia have been approved by the Columbia-Plan Commission. When fully developed in eight years, the center will provide a major shopping area as well as over 1,000 residential units. The center is being developed by CKR Investments, developers of the new city of Chapel Spring.

## Car hits pole, driver injured

Stanley Welch, 3977 Redney Drive, Pontoon Beach, was injured when his northbound auto swerved to avoid a pedestrian, went out of control and crossed the oncoming lanes. It struck a cross light standard on Route 203 at the Granite City Street Light Purse Division crosswalk at 9 p.m. Monday.

The pedestrian, Jerome Johnson, 2426 Lincoln Ave., said he pressed for the crossing light and started across the highway as the light changed.

He said Welch's car was unable to stop and so Johnson stepped back onto the curbing. He was not struck.

Welch was taken to St. Elizabeth Hospital with injuries to a shoulder and his back and a cut to his right upper leg. X-rays were taken and he was treated and released.

# Organized home records make life easier

By CATHERINE R. MAUCK  
Madison County  
Extension Adviser-  
Home Economics

Every family has accumulated records and papers that are important. If these records are well organized, they can make life less confusing. It's also important to keep the records organized so family members can put a finger on them easily when they're needed—even in moments of emotional stress.

The ease of replacing—and circumstance under which the records will be needed—helps determine where the records should be stored.

A safe deposit box is recommended for the difficult to replace or negotiable records. A home file system is convenient for records that can be easily replaced, that are needed frequently, and are non-negotiable.

The home file should include information what is kept in the deposit box, and the deposit box

should contain information regarding what and where records are stored, in the home.

Some records need to be kept a lifetime. These include such personal records as adoption papers, birth certificates, baptismal or christening records, citizenship papers, divorce papers, military service records, passport, Social Security number, and school records.

These personal records aren't needed very often, and they would take time and effort to replace. So, they might be best stored in a safe deposit box.

Other personal records, such as employment and health records, are often kept in the home file to make it easier to keep them up to date. You may want a copy of these in the deposit box, though, in case home copies are lost.

Insurance policies for life, accident, health, hospitalization, homeowners, property, personal liability and automobile are easily replaced by the company and may be needed when the safe deposit box isn't readily accessible.

These, therefore, may be stored

in the home file. But be sure that information regarding the type of insurance, policy number, company, name of agent and his address, amount and the location of the policy is recorded in a safe deposit box. This will speed the replacement of policies if they are lost.

A household inventory form summarizes information about household furnishings.

This can be helpful if you are preparing a net worth statement, or in case of loss of furnishings due to fire or theft.

Your County Extension office has forms for this purpose. Two copies should be made—one for the home file and one for the safe deposit box.

You carry your driver's license with you, but a record of its number will make it easier to replace if lost or stolen.

The automobile title is proof of ownership and is essential when the car is sold. The title should be in the safe deposit box with a copy of the information in the home file.

If you own real estate, such as a home or cemetery plot, your home file should contain information concerning description, location, date of purchase, price, and date and place the deed is recorded.

You should consult a lawyer for the best location for the original copy of your will. Sometimes it's best to store it with the lawyer or corporate executor, but a copy can be put in the home file with information on the location of the original.

Your home file should contain the location, box number and location of the key of your safe deposit box.

All credit cards should be listed by company, address, card number, name of person in whom card is held, condition of liability.

All checking and savings accounts should be listed by location, account number, names, and where the records (books and cancelled checks) are kept.
